

Attention 10th & 11th Grade Students: It is Governor's Honors Program (GHP) Time!

What is GHP? The Georgia Governor's Honors Program (GHP) is a residential summer program. It is designed to provide students with academic, cultural, and social enrichment.

Who can apply? Academically gifted and/or talented 10th & 11th grade high school students.

When is GHP? GHP is held in mid-summer (mid-June to mid-July) as a residential educational experience on a college or university campus. Meals and rooms are provided by the GHP program.

Why should I apply to GHP? GHP produces the next generation of global critical thinkers, innovators, and leaders.

How can I participate in GHP? Students can accept a nomination in one of the over forty nomination areas. Teachers will nominate students who excel in a nomination area and are passionate about the nomination area. The nominating teacher, student, and School Based Coordinator will complete online APS-GHP applications. You will need to give the nominating teacher **your and your parent email address and number** to start the nomination process.

What if I am nominated in more than one nomination area? You may only apply for GHP in one area.

What happens once my application is complete? Once all three parts of the APS-GHP application have been completed and reviewed. The nominee will be assigned an interview time for a District Level Interview.

When are the interviews for GHP? Selected nominees will receive an invitation from district content coordinators to interview within a two-week window: October 26 – November 6, 2020.

What happens after the District Level interviews? The District Level Nominees compete to become a GHP District Level Finalist.

What happens if I interviewed at State last year? You may reapply this year. (Finalists are not eligible.)

Whom should I contact if I have a few more questions? You should speak to your School Based GHP Contact or Counselor.
