Celebrating 70 Years of Stepping High

Mr. Allen Ward
Band Director

The 1993-1994 school year marks the 70th year of Booker T. Washington High School and its famous Marching 100's band. This year, the band has performed a record breaking 13 shows including two Georgia Dome appearances. Upon its opening, Washington was the first band to march in the facility. Since then, the band has performed there on six occasions including a pre-game and half-time show for the Atlanta Falcons. The Marching Bulldogs have also made appearances in the Omni for the Atlanta Project's immunization project featuring Micheal Jackson. Aside from half-time shows and Dome performances, the band has performed for the Super Bowl XXVIII in its salutatory parade, Evander Holyfield's Fight Night, and has performed at the opening ceremonies of the Coca-Cola Pavilion in Downtown Atlanta. Washington most certainly has Atlanta's #1 band, continuing a tradition that improves with time. The Blue Thunder and White Lightning would like to "Sa La" and celebrate 70 years of "Steppin' High".

As we look back at our high school days,
At all the things we've done
We remember the friends we've met
And how we had such fun,

We know we shall never forget
Our years when we depart
Because the Bulldog spirit shall forever fulfill our hearts.

It all began in eighth grade
Back in '89
We were only bulldawg-pups
But our spirits were sublime.

We then became Freshmen
And new friends we met
Showing love and dedication for our school
Putting upperclassmen to the test.

Our Sophomore year was even better
as we never had a doubt
That the mighty class of 9T4
Was what it was all about.

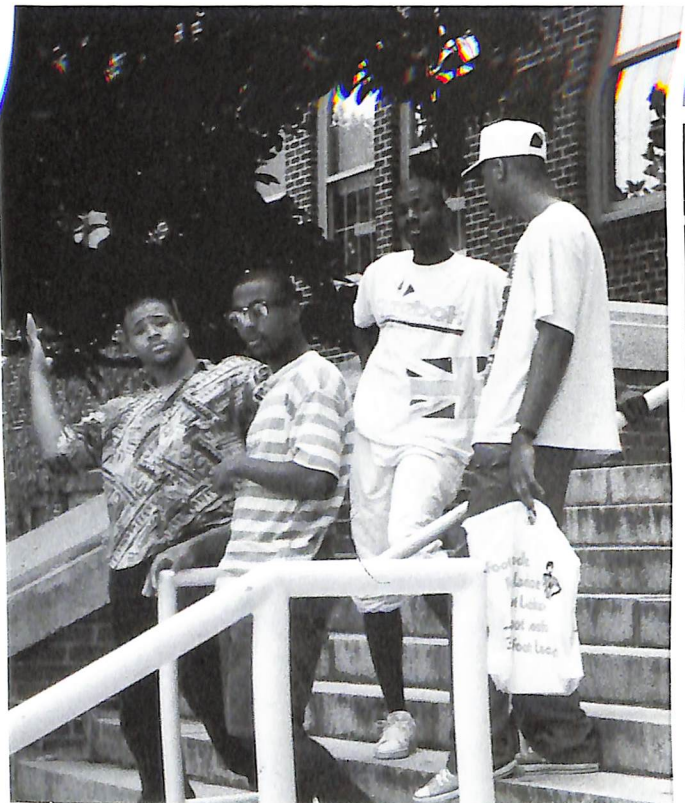

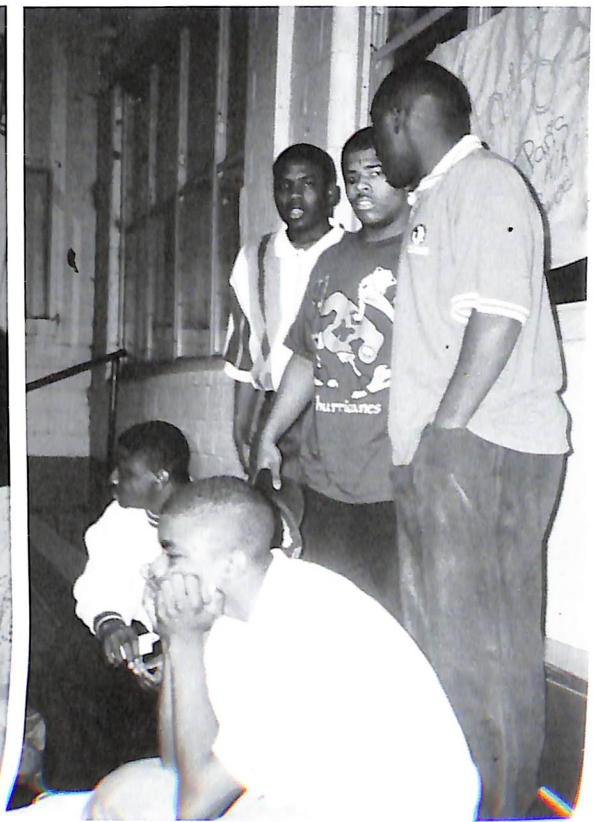

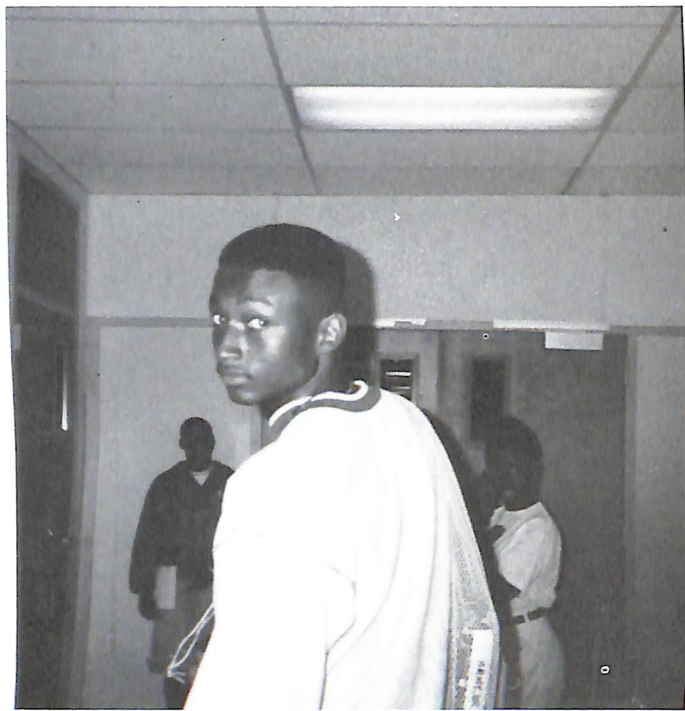

When our Junior year rolled around
That was 'all she wrote'
With the coming together of three different schools
They said we wouldn't cope.

But as the year went on
We became the best of friends
Loving, laughing and just enjoying
For our time was near its end.

Oh Lord, it's here we can't believe
Our Senior year has arrived
Though our sacred days have come and gone
Our memories shall survive.

When June comes we all shall feel
The pain in saying goodbye
To our heart, our soul, our second home,
Our beloved WASHINGTON HIGH.

Nicole Visits Costa Rica!

Nicole on horseback, what fun!! (left)
Members of the group at the airport. (right)

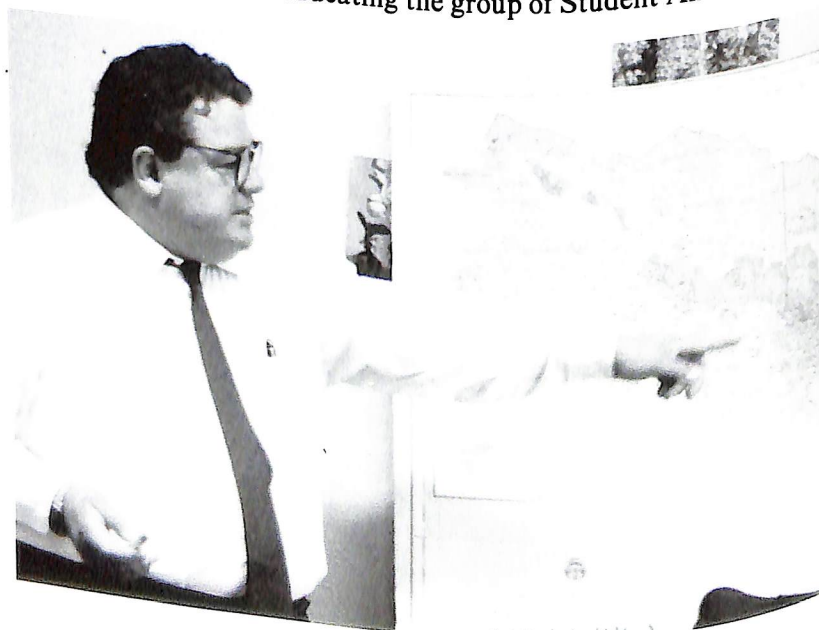

In June of 1993, Nicole Dixon had the opportunity to travel to Costa Rica with the People to People Youth Science Exchange Program. This program, started by President Eisenhower, allows high school students the opportunity to be American Ambassadors, traveling to different countries to learn new cultures.

Thanks to teachers and students at Washington, Nicole was able to have an experience of a life time learning new traditions, customs, and lifestyles. She would like to share some of the things she learned and did with you.

WEEK

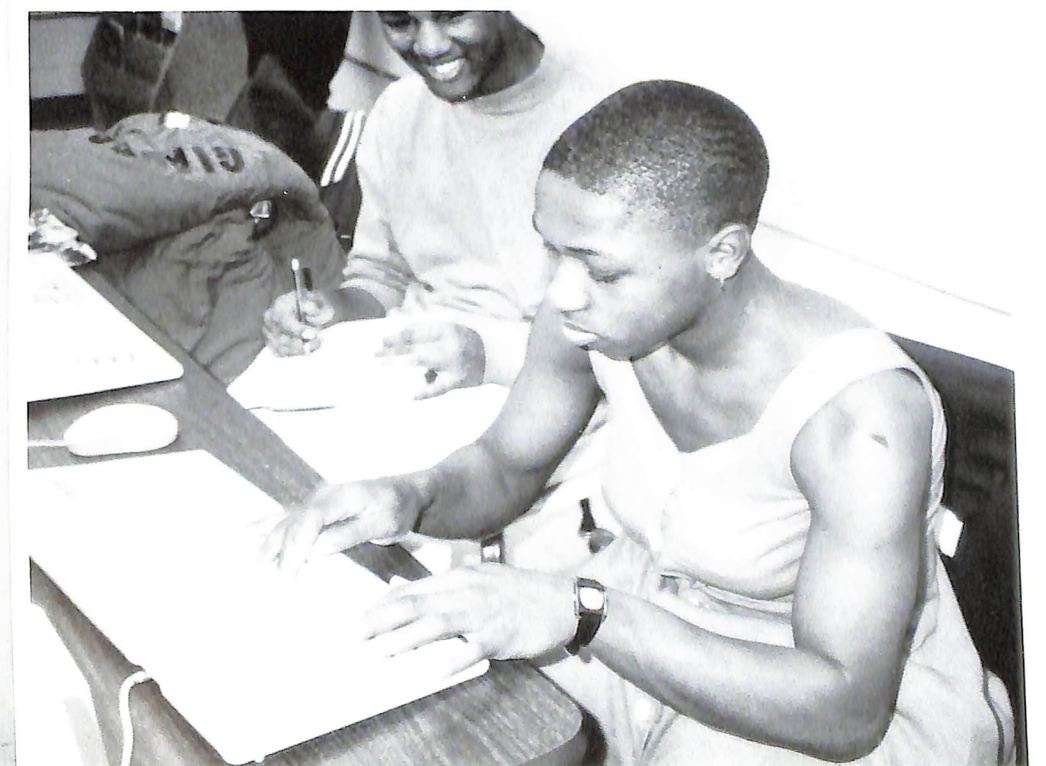

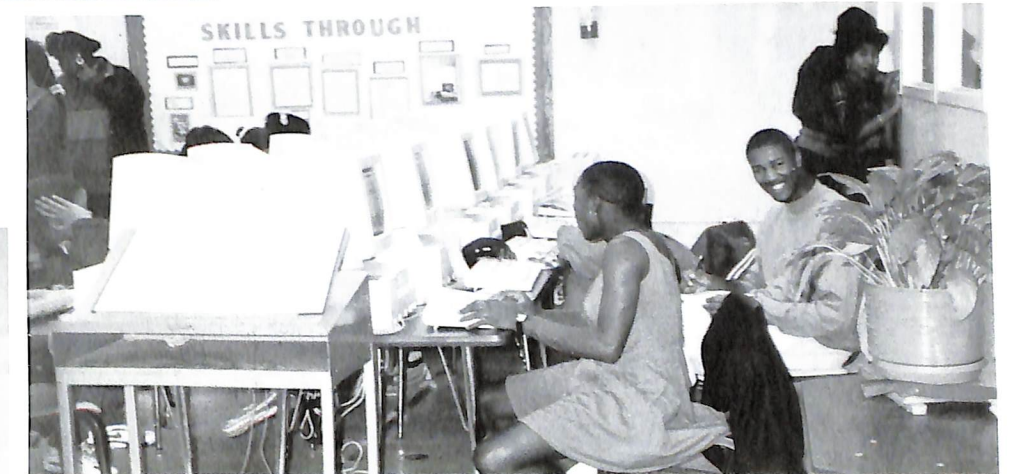

Senior Week

Hormones are interacting for just one day.

LET'S EAT

For the Senior Night Game, the Seniors decided to have hooded sweatshirts airbrushed with the senior week theme, "AINT NUTTIN' BUT THE DOG IN ME", on them. Here is what some of them looked like.

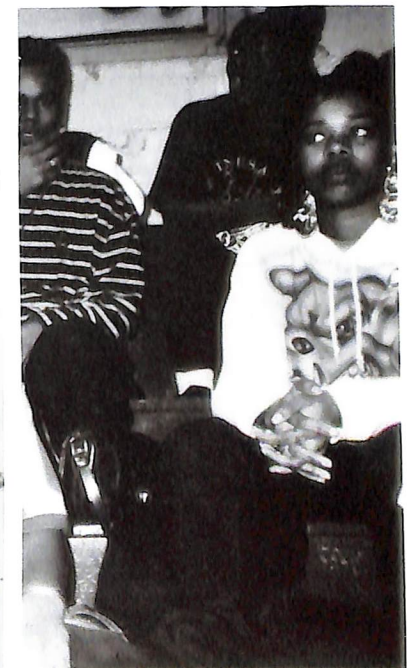

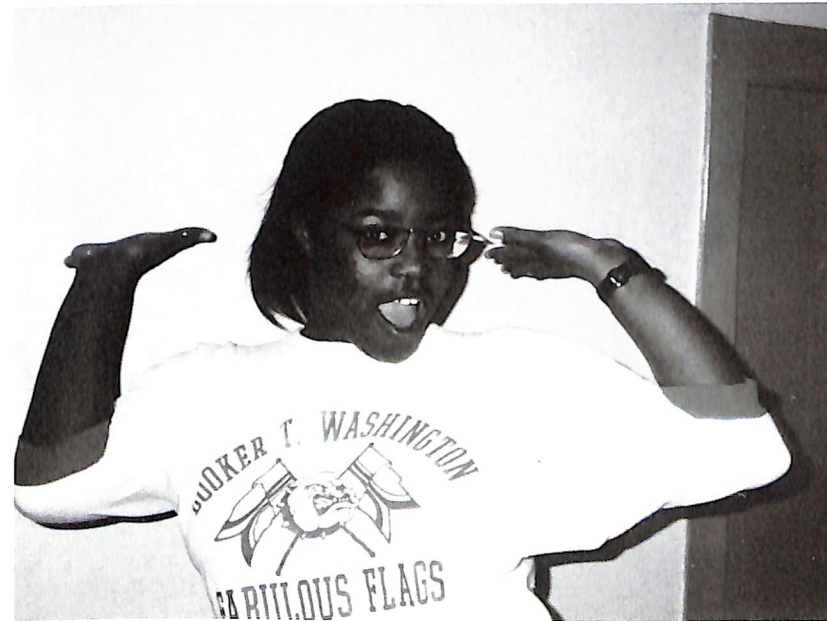

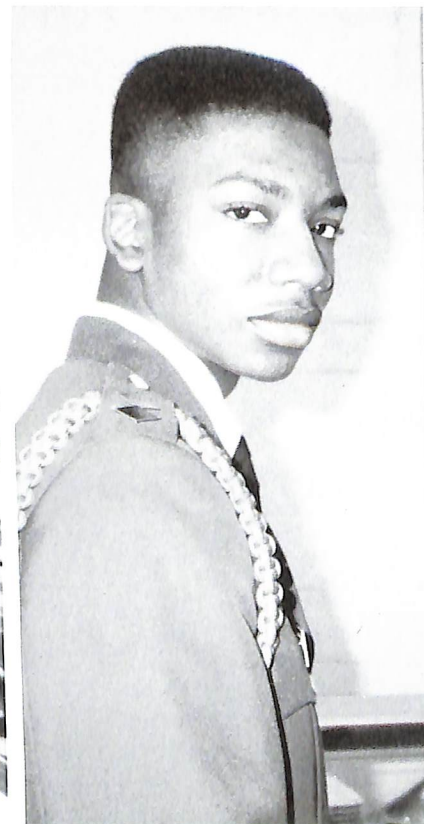

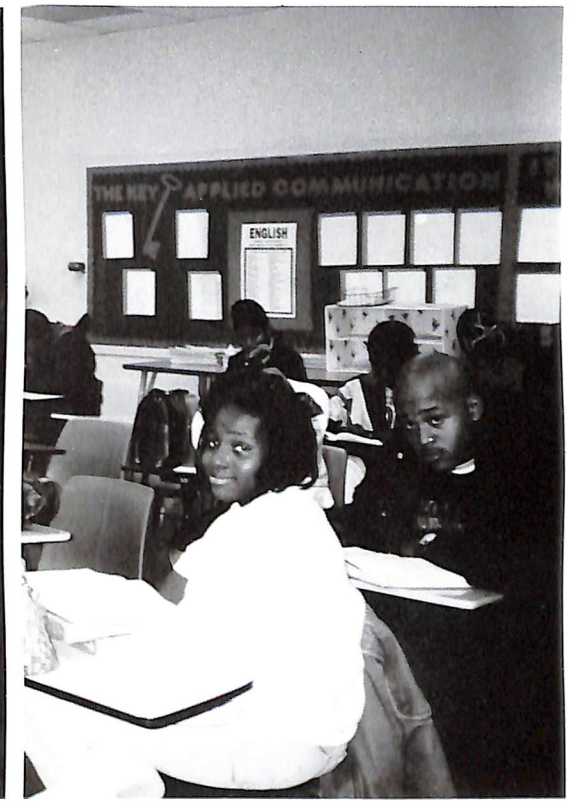

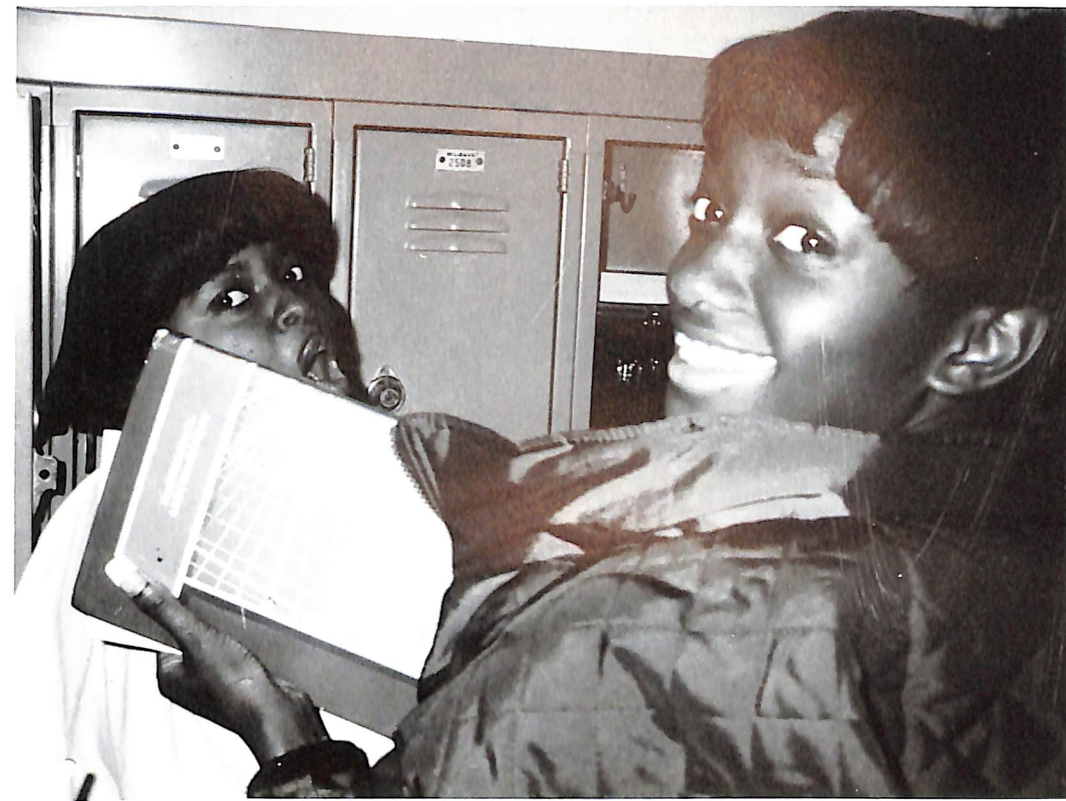

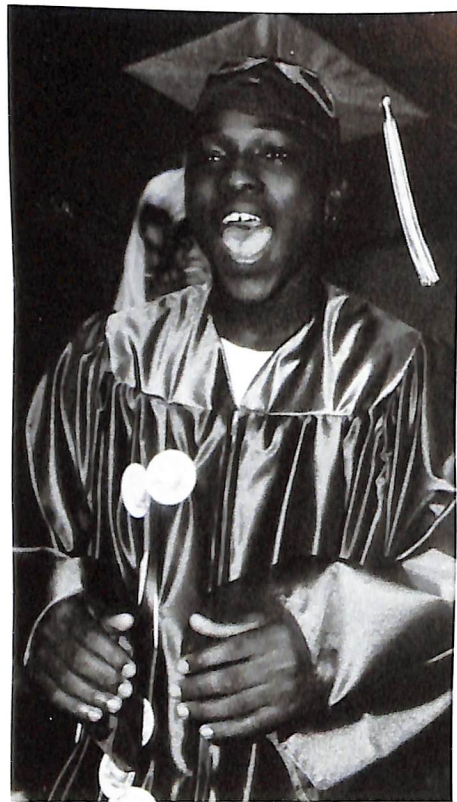

Some people had fun dancing and joking around at the Senior Night Game.

The others just did not know what to do.

Let's reminisce!

FOR MY PEOPLE

For my people everywhere singing their slave songs repeatedly; their dirges and their ditties and their blues and jubilees, praying their prayers nightly to an unknown God, bending their knees humbly to an unseen power.

For my people lending their strength to the years, to the gone years and the now years and the maybe years, washing ironing cooking scrubbing sewing mending hoeing plowing digging planting pruning patching dragging along never gaining never reaping never knowing and never understanding;

For my playmates in the clay and dust and sand of Alabama backyards playing baptizing and preaching and doctor and jail and soldier and school and mama and cooking and playhouse and concert and store and hair and Miss Choomby and company;

For the cramped bewildered years we went to school to learn to know the reasons why and the answers to and the people who and the places where and the day when, in memory of the bitter hours when we discovered we were black and poor and small and different and nobody cared and nobody wondered and nobody understood;

For the boys and girls who grew in spite of these things to be man and woman, to laugh and dance and sing and play and drink their wine and regiligion and success, to marry their playmates and bear children and then die of consumption and anemia and lynching;

For my people thronging 47th Street in Chicago and Lenox Avenue in New York and Rampart Street in New Orleans, lost disinherited dispossessed and happy people filling the cabarets and taverns and other people's pockets needing bread and shoes and milk and land and money and something — something all our own;

For my people walking blindly spreading joy, losing time being lazy, sleeping when hungry, shouting when burdened, drinking when hopeless, tied and shackled and tangled among ourselves by the unseen creatures who tower over us omnisciently and laugh;

For my people blundering and groping and floundering in the dark of churches and schools and clubs and societies, associations and councils and committees and conventions, distressed and disturbed and deceived and devoured by money-hungry glory-craving leeches, preyed on by facile force of state and fad and novelty, by false prophet and holy believer;

For my people standing staring trying to fashion a better way from confusion, from hypocrisy and misunderstanding, trying to fashion a world that will hold all the people, all the faces, all the adams and eves' and their countless generations;

Let a new earth rise. Let another world be born. Let a bloody peace be written in the sky. Let a second generation full of courage issue forth; let a people loving freedom come to growth. Let a beauty full of healing and a strength of final clenching be the pulsing in our spirits and our blood. Let the martial songs be written, let the dirges disappear. Let a race of men now rise and take control.

Congratulations With All Our Love
To
André Demetrius Bridges

Life without purpose is barren indeed
There can't be harvest unless you plant
seed
There can't be attainment unless there's
a goal
And man's but a robot unless there's a
soul
If we send no ship out, no ship will
come in
And unless there's a contest, nobody
can win
For games can't be won unless they are
played
And prayers can't be answered unless
they are prayed
So whatever is wrong with your life
today

You'll find a solution if you kneel
down and pray
Not just for pleasure, enjoyment and
health
Not just for honors and prestige and
wealth
But pray for a purpose to make life
worth living
And pray for the joy of unselfish
giving
For great is your gladness and rich your
reward
When you make your life's purpose,
the choice of Lord
André, you have brought much joy into
our lives

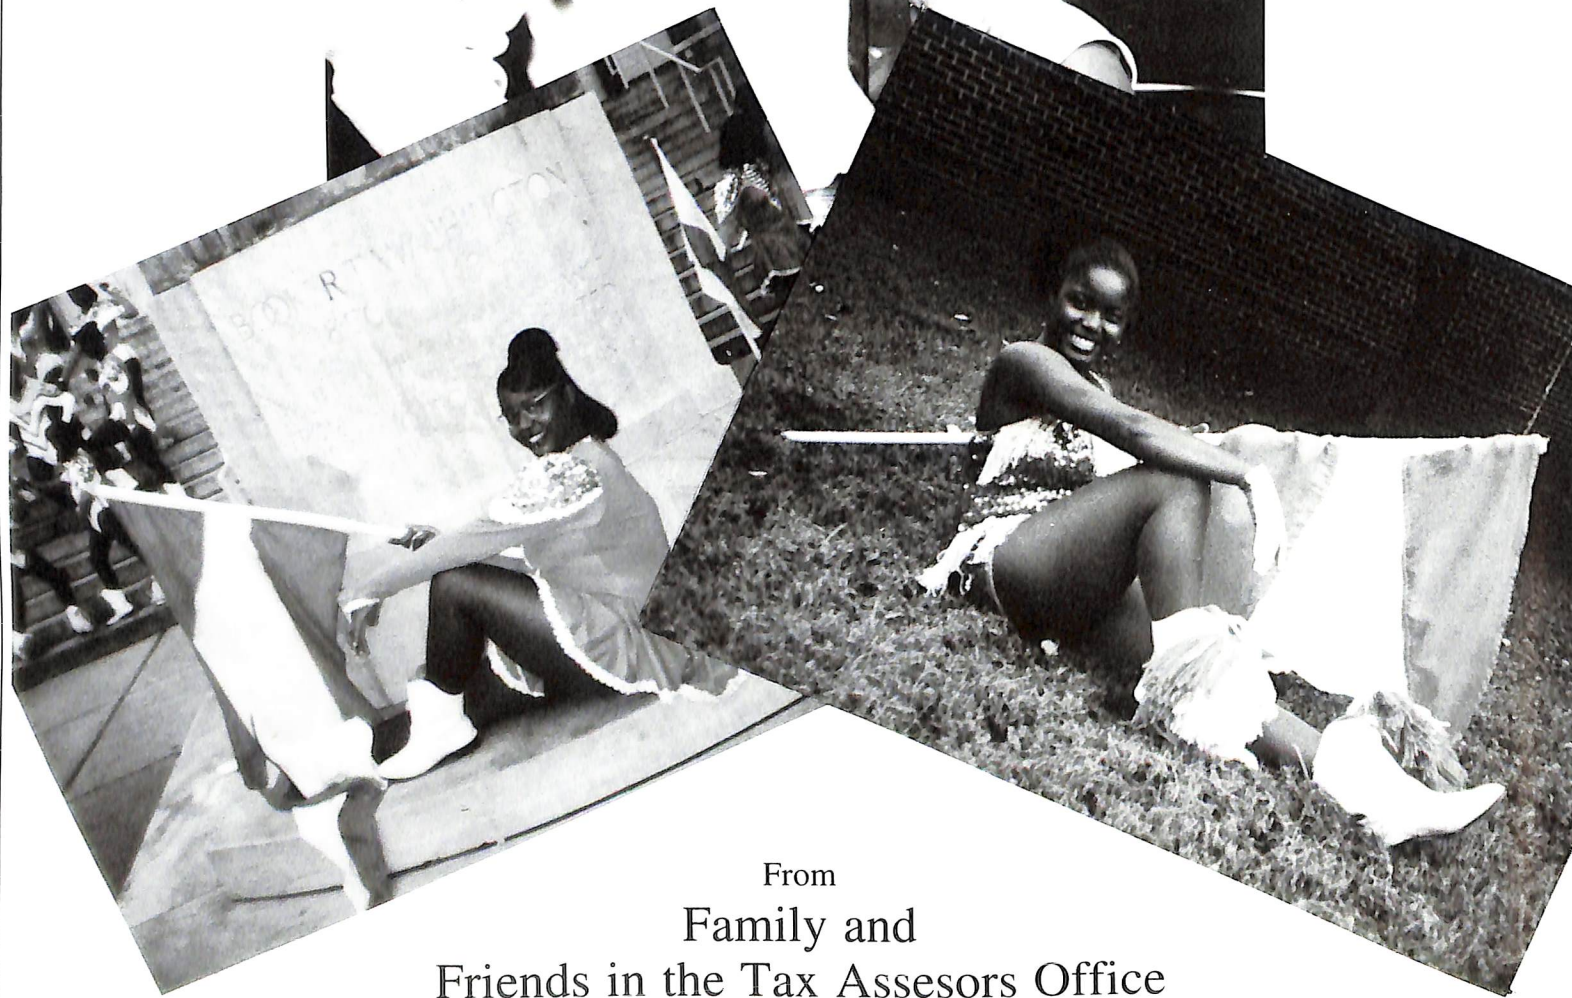

We are proud of you
