IV. Discussion Items *(add items as needed)*

- a. **Discussion Item 1:** 45-Day Continuous Improvement Plan check-in and progress-continuous data discussions used by admin to collect data. Data collected is shared with our GADOE and MetroRESA partners. Observation types include Tier I instruction, instructional walk-throughs and collaborative planning. Data digs are held per grade level. MAP scores are used to assign intervention.

Question: How is data collected? Are we considering types of testers?

Response: Intervention is tailored to meet the needs of the individual students

Collaboration planning and instructional walk through glows and grows.

Grows notated as “Teacher centered” lessons, no “Learning targets”.

Student achievement STAP (short term action plan) monitoring of targeted instruction, observations conducted at each level to support literacy, numeracy and WCI (whole child initiative)
- b. **Discussion Item 2:** [Continuous Improvement Plan Progress is monitored using SMART goals that address Literacy, Numeracy and Whole Child](#)
