Please see the requested school supplies above for the 2022-2023 school year. Your teacher (Homeroom or Specials) may request additional supplies on a class by class basis.

Our Pre-K classrooms are provided with supplies from the Office of Early Learning, but our teachers will likely create a wish list of additional items. They will communicate any extra needs within the first few weeks of school. Your child will not need to bring supplies in on the first day of school.

For our Kindergarten and 1st grade families, please purchase a Primary Composition Book. This allows the student to draw a picture at the top of the page and have text on the bottom.

You do not need to purchase the supplies for Spanish class if you are in the DLI program. For our families in our traditional classrooms, please mark your supplies for Ms. Sadiq's Spanish class.
