

## 3D PATHWAY FIBERS AND FASHION

Une Belle Revolution is the ONLY fully implemented fashion program in a public high school in the country. Our fashion students learn all aspects of fashion history, design, patterning and construction, and sewing. The Pathway culminates in the development of a full line of custom couture.

## 2D DRAWING, PAINTING, AND PHOTOGRAPHY PATHWAY

The visual art pathway allows a student to explore their imagination with a wide variety of art making, art history, and exhibition experiences. Grady has one of the only traditional photo darkrooms available. Our students create their portfolios in one of the most notoriously excellent programs in the state.

### **Acting & Directing Pathway**

Do you want to be an actor or director for stage or film? This is your path.

Beginning in 9th grade, you'll learn the basics of acting and technical theatre. From there, you'll specialize in acting and directing for film and theatre and then eventually either direct a play or make short films. Or both.

9th grade class: "Theatre Arts I - Fundamentals"

# AUDIO VIDEO TECH & FILM PATHWAY

Welcome to Grady High School's award-winning and industry certified AVTF program. We look forward to teaching you how writing, thorough planning, practice, technological savvy and teamwork can lead to producing great work. Please take a look at our YouTube channel to view our student newscast Grady News Now.

Class taught in the Audio Video Technology pathway include: Audio Video Technology & Film I, Audio Video Technology & Film II and Audio Video Technology & Film III. Click on the tab above for more info on each course.

#### BAND PATHWAYS

Music and rhythm find their way into the secret places of the soul.(Plato)

Concert Band Concentration: The Band pathway we travel abroad through music and it's many faces, exploring historical to help create new style to tell and rewrite your story. We offer 3 levels of training for the students, beginners, intermediate advanced levels for our musicians.

Our students perform in All-State Concert, Jazz bands, UGA Janfest, Honors band, Governor's Honors.

Music is your own experience, your own thoughts, your wisdom.

If you don't live it, it won't come out of your horn. (Charlie Parker)

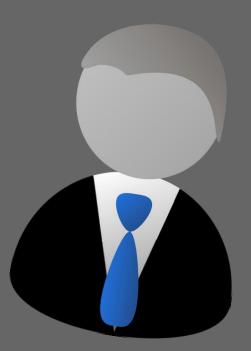

Jazz Knights Concentration: At the heart of any jazz program are music theory courses that break down this musical genre into its technical parts and look at how jazz music moves between keys, chords, and modes. You'll also study the history of jazz and its influence on other American musical traditions, such as the blues.

# BUSINESS MANAGEMENT & ADMINISTRATION PATHWAY

Students gain knowledge of business principles, the impact of financial decisions, and technology proficiencies demanded by business combine to establish the elements of this course. Emphasis is placed on developing proficient fundamental computer skills required for all career pathways. Students will learn essentials for working in a business environment, managing a business, and owning a business.

Students will get an overview of business law while concentrating on the legal aspects of business ownership and management. Legal issues addressed include court procedures, contracts, torts, consumer law, employment law, environmental law, international law, ethics, and the role of the government in business. Students develop an understanding of entrepreneurship and focus on recognizing a business opportunity, starting a business, operating and maintaining a business. Students will be exposed to the development of critical thinking, problem solving, and innovation in this course as they will either be the business owner or individuals working in a competitive job market in the future.
