

School-Parent Compact

What is School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade level standards. Effective compacts:

- Link to goals of the school improvement plan.
- Focus on students learning objectives
- Describe how teachers will help students develop those skills via high quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students, and staff of Booker T. Washington High School developed this School Parent Compact for Achievement. Teachers suggested home learning strategies and supports, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Compacts and parent feedback forms are in the front office and online.

Parents are welcome to contribute input at any time.

Activities to Build Partnerships

Goal 2: Numeracy Proficiency The percentage of students in grades 3-8 scoring proficient or above in math, as measured by the Georgia Milestones, will increase from 35% in August 2019 to 45.4% in August 2026.

Goal 3: Post Graduation Preparedness Increase the percentage of high school students who graduate prepared for their next step as demonstrated on the Profile of a multi-dimensional assessment based on the Profile of a Graduate.

Goal 4: College and Career Readiness The percentage of high school students who score at the college and career readiness level on career pathway assessments, IB, AP, Dual Credit, ACT, SAT, work-based learning, or entering TCSG/USG without needing remediation will increase from 5.51% in October 2019 to 59.3% by October 2026.

Booker T. Washington High School Goals

SY24-25, to improve student achievement, **Booker T.**

Washington High School will focus on the following goals:

- **Goal 1:** Each content will decrease the number of beginner learners by 8% and increase the proficient and distinguished learners by 5%.
- **Goal 2:** Increase Average Daily Attendance by 10%
- **Goal 3:** Decrease CCRPI attendance from 65% to 60%

Teachers, Students, & Parents work together for success.

In the classroom...

The teachers will work with students and their families to support students' success in all content areas. Some of our key connections with families will be:

- Support teaching, learning and reinforcement by providing additional academic support via teacher web pages.
- Provide ELA and or Math tutorials for students that have a grade of "C" or lower.
- Utilize Thursday conference days to communicate with parents regarding student's academic progress.
- Provide Parents regular updates of student progress every 4-5 weeks.

In the home....

Booker T. Washington High School's parents have been invited to develop ideas about how families can support students' success in all content areas.

- Attend Curriculum Workshops and the Bulldog Coffee Talk
- Monitor Parent Portal weekly
- Visit teacher's website to obtain supplemental activities to aid in student's understanding of skills and concepts
- Be knowledgeable about student's assignments and requirements
- Assist my child in requesting and completing tutorial for ELA or Math when grade falls to a "C" or below.

Families may have other ideas to add to this list.

Booker T. Washington High School Students

Booker T. Washington High School students joined with staff and parents to develop ideas about how they can succeed in school and reach for goals in all content areas.

Students thought of the following ideas to make connections between learning at home and school:

- Be knowledgeable about personal academic progress through Parent Portal, student agenda and conferences
- Attend school tutorial programs in Math, ELA, Science and Social Studies
- Utilize available workshops and resources for career, college and academic assistance.
- Use teacher's webpage to obtain support materials for additional study and assistance.
- Seek academic assistance when my grades in Math or ELA fall to a "C" average.
