

IB Biology Y2 Summer Assignment 2019 (4 hours)

All Students (SL & HL) will be doing research, demonstrating the application of skills to develop a topic for internal assessment which is an integral part of the course, worth 20% of the final assessment.

Students will be completing the Part 1 of the internal assessment which includes,

- a. Selection of the topic
- b. Writing research questions
- c. Personal engagement

Information on Internal Assessment will be posted on the website
