3 104
4 111
5 97

We are very close to max enrollments in K.

Action Item: T. Harness will send out numbers of current students /class.

School Performance Data

T. Harness received Milestones data today from state today. Spark is performing at the following proficiencies of Developing or higher in 3rd-5th grade:

ELA 98%
Math 96%
Sci 98%
SS 94%

Discussion about wanting to make these numbers higher in the Proficient and Distinguished categories.

T. Harness will develop his strategic goals with staff, data, etc. Next session, GoTeam can begin to work on goals based on that data.

SPARK Safety concern

Discussion led by S. Zeigler. Asked GoTeam to sign onto PTO driven letter asking APS to address safety concerns. Discussion included changes on who to send the letter to, to include the new head of APS police force and to include a specific ask. C. Butler suggested sharing with cluster schools
Motion by N. Foerschler-Horn to endorse/sign the letter with above changes.

Second by M. Mailman

Vote to approve 9-0

Action item: M. Rebillot will share with cluster pending PTO approval

Grady Cluster Update

M. Rebillot reports there has not been much from cluster planning in the last months. First cluster meeting for 2016/17 will be in Sept. or Oct. Main goals will be to make sure cluster money aligns with cluster goals.
