

JOIN THE SPARK PTO!

SUGGESTED \$200 PER CHILD DONATION

Did you know that as a result of the new APS budgeting formula, SPARK receives the lowest funding per student in the entire district? And that the SPARK budget decreased by \$115,000 this year compared to last?

Because of this, financial support from the PTO will become more important than ever. With your help, we can overcome this deficit together. By donating to the PTO, your dollars will benefit your child's learning on a daily basis.
