

April 19, 2022

Dear Parent/Guardian,

On May 2, 2022, we will begin to administer the Georgia Milestones End of Grade (EOG) assessments for the 2021-22 school year. Due to the secure nature of the Georgia Milestones, no virtual options are permitted by the Georgia Department of Education (GaDOE). The assessments must be administered in person, in a secure environment.

Students who continue to learn virtually should report to their home schools to test. You will receive information either from AVA or the home school personnel regarding the particulars of the Spring EOG administration.

Know that it is very important for all students to participate in the Georgia Milestones EOG assessments. Student-level EOG results may be used by teachers to tailor instruction and provide intervention opportunities to better meet the needs of your child.

We understand that families may be apprehensive about testing in person, but know that we are taking every precaution to ensure a safe testing environment. These precautions follow district guidance and include, but are not limited to, social distancing, sanitized devices, flexible scheduling, optional wearing of PPE, etc.

If you have any questions, please contact your child's teacher or Mrs. Sithole at mjsithole@atlanta.k12.ga.us

Estimado Padre o Tutor,

El 2 de mayo de 2022, comenzaremos a administrar los exámenes de Georgia Milestones (EOG) de Final de Grado para el año escolar 2021-22. Debido a la seguridad que necesitan los exámenes Georgia Milestones, el Departamento de Educación de Georgia (GaDOE por sus siglas en inglés) no ha aprobado ninguna opción virtual. Las evaluaciones deben administrarse en persona, en un entorno seguro.

Los estudiantes que continúan aprendiendo virtualmente, deben presentarse en sus escuelas de origen para realizar la prueba. Usted recibirá información de AVA o del personal de la escuela local con respecto a los detalles de la administración de EOG de primavera.

Sepa que es muy importante que todos los estudiantes participen en las evaluaciones de Georgia Milestones. Los maestros pueden usar los resultados de EOG a nivel estudiantil para adaptar la instrucción y brindar oportunidades de intervención para satisfacer mejor las necesidades de su estudiante.

Entendemos que las familias pueden estar preocupadas por los exámenes en persona, pero sabemos que estamos tomando todas las precauciones para garantizar un entorno de prueba seguro. Estas precauciones siguen la guía del distrito e incluyen, entre otras, distanciamiento social, dispositivos desinfectados, horarios flexibles, uso opcional de PPE, etc.

Si tiene alguna pregunta, por favor comuníquese con el coordinador de pruebas de su escuela.
