RE: _____ (**D.O.B.** _____/_____/_____)

Thank you for the care you provide to our student. In preparation for the upcoming school year, the school-based educational team, nursing staff, and the family need your input and instructions to assist in the educational health planning for the student named above. Please take the time to fill out our medical packet which includes the following forms:

1. **Medical Examination Report and Health Care Management Plan** -assists in providing a detailed and comprehensive overview of child's health status and needs. Please include specific recommendations for the team relative to safety and ambulation throughout the school building.
2. ***Administration of Medication/Medical Procedures List** - used to document physician orders for routine and PRN medications, nutritional supplements and other therapeutic/assistive devices (i.e. protective helmet, walker, etc.) (**Note: Please use a separate form for each physician's order to administer medication and/or perform a procedure**)
3. **Medical Statement & Diet Prescription for Meals at School** - used to document orders for alternate nutritional supplement and dietary restrictions, substitutions or preparation.
4. **Emergency Plan –** created to guide emergency intervention for the student while in school.

All these documents will remain in effect for one school year. **A new set of documents will be required each August prior to school opening.** In the event that new orders are not received, parents have the right and responsibility to administer medications and/or perform special health procedures during the school day. Feel free to keep a blank copy of the forms so you may update them at your convenience in preparation for the next school year. Thank you for your expeditious assistance in creating the optimum learning environment for your patient/our student.

Medical Statement & Diet Prescription for Meals at Schools

This form is for students who are and are not defined as "handicapped." A handicapped person means any person who has a physical or mental impairment, which substantially limits one or more major life activities, has record of such impairments, or is regarded as having such impairments (7 CFR Part 15b and FNS Instruction 783-2). All sections of the form will need to be completed by a licensed physician if the student is diagnosed with a "handicap" per Federal law 7 CFR Part 15b and FNS Instruction 783-2 or one of the following medical authorities: physician, &/or physician assistant, nurse practitioner, registered/licensed dietitian if the student is not "handicapped," but is unable to consume food(s) because of medical or other special dietary needs. The first section ("Describe the student's handicap and the major life activity(s) affected by it") does not have to be completed by the appropriate medical authority when a student is not diagnosed "handicapped".
