

Atlanta Virtual Academy Is Expanding Seats!

Atlanta Public Schools' Atlanta Virtual Academy (AVA) is a fully accredited online learning environment that is available to APS elementary, middle and high school students.

Applications accepted September 15 - October 22, 2021

Two Types of Virtual Learning:

1

AVA Jr. Program - permits eligible K-5th grade students to attend Virtual Academy through a **synchronous** learning model with daily live teaching instruction.

2

AVA Flex Program - permits eligible 6-12th grade students to attend Virtual Academy through an **asynchronous** learning model with teacher facilitation as needed.

Enrollment into Atlanta Virtual Academy is granted based on space availability. If the number of applications received for a given grade level exceeds the number of available spaces, a random lottery will be conducted to provide each interested student with an equal chance to be admitted. Applications will be accepted online or by appointment at the Department of Student Assignment, located at 130 Trinity Avenue (2nd Floor), Atlanta, Georgia 30303.

AVA Enrollment Priorities:

2

APS students determined to be medically fragile with a signed form from their physician.

3

APS neighborhood students currently enrolled in their APS school but want to transition to virtual learning.

4

Charter school students who want a virtual option.

PLEASE NOTE:

- Students are accepted into AVA based on space availability.
- Acceptance of one sibling does not ensure acceptance for siblings from current and future school years.
- Applications received after the lottery deadline will be waitlisted. The number position on the waitlist may shift due to new applications submitted that meet an enrollment priority.
- Prior to the lottery, applications submitted on the last day receive the same consideration as applications received on the first day.

LOTTERY APPLICATION DEADLINE: October 22, 2021

*The first day of virtual school for new AVA students will be confirmed after determining our ability to provide adequate staffing
