

March Parent & Principal Chat

Join Ms. Wheeler for an open conversation to ask school-related questions to the principal, hear about Hope-Hill updates, and engage in conversation with other parents.

When?	Wednesday, March 22 from 8:00-9:00am (no need to RSVP - just show up!)
Where?	Media Center at Hope-Hill
Who?	Hope-Hill parents / guardians / caregivers
Why?	To have an open forum for parents to bring up questions for Ms. Wheeler and for her to bring up topics of interest to parents

We had a great meeting in January, thanks to everyone who came! We spent most of the discussion talking about school communication, including how the school can communicate in real-time to supplement Thurs folders.

For March, people suggested various discussion topics, including: the use of non-academic technology in the classroom, class parent representatives, and recess.

Mark your calendar for the April Parent & Principal chat:

- April: Tuesday, April 18, 8-9am
