

## Did you know? 🤔

Every school in Atlanta Public Schools has a school governance organization called the GO Team, made up of parents, teachers/staff, community members, and the principal. **Yes, including Hope-Hill!**

## What does the GO Team do? 🤔

The GO Team at Hope-Hill is responsible for collaborating with the principal to set the priorities for the school, approving the budget that the principal puts together based on the priorities, and working with the district when it is time to hire a new principal.

## When does the GO Team meet? Can I go? 🕒

We meet about once per month in the afternoon/evening.

**Anyone can attend via Zoom!** You can find the links to join at
