WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is an agreement that parents, scholars, and teachers develop together. It explains how parents and teachers will work together to make sure all our scholars reach grade-level standards.

JOINTLY DEVELOPED

The parents, scholars, and Harper-Archer Elementary School staff developed this School-Parent Compact for achievement. Teachers suggested home learning strategies and supports, parents added ideas to make them more specific, and scholars told us what would help them learn. Meetings are held each year to review the Compact and make changes based on scholar and parent need.

Parents are welcome to contribute comments and/or concerns at any time.

TEACHERS, PARENTS & SCHOLARS – TOGETHER FOR SUCCESS	
In the Classroom	At Home
<p>Our teachers will work with each scholar and their families to support scholar success in all content areas. Some of our key connections with families will be:</p> <ul style="list-style-type: none"> • The use of state-of-the-art technology in every classroom enhances the learning environment for teachers and scholars by using iPads, Smart Boards, Smart Tables, digital cameras, and other resources throughout the curriculum. • Extended learning and enrichment opportunities available each week. • Offer a parental educational series to address the specific needs of the elementary school scholar. <p style="text-align: center;">School Hours Monday – Friday 8:00 AM – 2:30 PM</p>	<p>Harper-Archer Elementary School parents/caretakers have been invited to develop ideas about how families can support scholars’ success in all content areas by:</p> <ul style="list-style-type: none"> • Attending Curriculum Nights, Parent-Teacher Conferences four times a year, monthly Principal Talks (Taylor Talks with the Principal), and attend Parent/Caretaker Educational Workshops in the Parent Center with flexible time slots for parental attendance. • Check the Parent Portal and My Backpack as a family on a daily to weekly basis. • Visit the main office, classroom, check in with room parent(s), check school marquee, check social media, check school websites, and sign up for Class Dojo and Remind to ensure awareness of all activities at the school. • Connect scholars and families to service-learning projects in the community. • Read at home on a daily basis. Practice math and reading applications on fun learning apps on cell phones, tablets, laptops, and desktop computers. • Make flash cards for EVERY subject as a portable and low-tech way to study on the go.
Harper-Archer Elementary School Scholars	
<p>Harper-Archer Elementary School scholars joined with staff and parents to develop ideas about how they can succeed in school and reach personal goals in all content areas. Our scholars thought of the following ideas to make connections between learning at home and school:</p> <ul style="list-style-type: none"> • Complete my classwork/homework every day and check My Backpack daily. • Talk with my family about new vocabulary words, science, math and my progress in each class on a daily basis. • Bring home notices from the school (e.g. daily agendas, flyers and progress/report cards). • Participate in reading programs throughout the year (e.g. Pizza Hut BOOK IT! and Six Flags Read to Succeed Program). • Invite my parents to volunteer in my classroom and at school. • Practice math, science and reading on fun learning apps on cell phones, tablets and computers daily.
