

## Project CATAPULT at Georgia Tech

Georgia Tech's Center for Education Integrating Science, Mathematics, and Computing (CEISM) in partnership with CEO of My Life presents "Project CATAPULT". Open to High School Students from the Atlanta Public School System, Project CATAPULT is a yearlong Innovation Entrepreneurship and STEAM program designed to prepare students for the future of work through business ownership and the development of life skills. The yearlong program consists of a four-week summer institute starting in July 2021 and Saturday workshops during the school year through April 2022.

To receive additional information including the application, please fill out the form by **MONDAY APRIL 24, 2021 5PM**. Participants will receive a small monetary stipend for successfully completing the program.

**Are you interested in receiving additional information and application for Project CATAPULT?**
