HYPE CORPORATE PARTNERSHIP WITH BLACKROCK!

We are officially halfway through The HYPE Project and appreciate those of you who are hanging on strong. The best is yet to come!

The BlackRock Corporate Volunteer event was a great success. Thank you for making schedule shifts and being flexible with our technology and modified classroom structure.

The BlackRock team had a great time engaging with you all and we appreciate you for encouraging your students in their presentation skills. It was clear that the best part of the day was our **CSS JeoPARTY!** Trust me, we're definitely bringing that party back.

As we head into preparing for our final projects, we'll have one more engagement opportunity with the BlackRock volunteer team in November to help students come up with ideas and a game plan for their group projects. As always, we appreciate you prioritizing attendance and engagement when our visitors join the classroom. As Educational Partners, you truly are the real MVP's!

CSS: Community	CSS: Courage	CSS: Creativity	CSS: Curiosity	CSS: Celebration
100	100	100	100	100
200	200	200	200	200
300	300	300	300	300
400	400	400	400	400
500	500	500	500	500

PARTNER SPOTLIGHT

Pebblebrook STEAM Academy

Pebblebrook STEAM Academy is a 1st-year partner with HYPE and is located in Cobb County, Georgia.

Pebblebrook is entering its 2nd year of offering a STEAM Academy - STEAM integrated classes for students to experience innovation through learning experiences, internships & passion projects. HYPE is excited to join the academy by offering The HYPE Project as an in-school course activity!

With a cohort of 16 freshmen and sophomore girls, our Pebblebrook Falcons are flying high!

The HYPE Scholar Value that we highlight for the Pebblebrook team is COURAGE. Pebblebrook is the 1st school to offer The HYPE Project during the school day, and we all know that being the 1st takes Courage!

SCHOLAR SPOTLIGHT

Elyssa S., Booker T. Washington

We are so excited to recognize Elyssa S from Booker T. Washington High School as our October Scholar Spotlight. Here is what the HYPE Instruction team has to say about Elyssa:

"Elyssa has demonstrated an abundance of courage during her time in The HYPE Project. She goes above and beyond to ensure she has the tools and information necessary to succeed and fully engage in the program. Reviewing Elyssa's work is always a pleasure because it reflects hard work and dedication."

“ I've definitely learned what it means to be creative and expressive of oneself. I'm so used to structure and uniformity in everything that I never let loose a little and think creatively on projects and such. - Elyssa

HERE'S WHAT WE'RE LEARNING THIS MONTH

Creativity has been a huge focus this month in the HYPE Project as we deep-dived into **CSS (Cascading Style Sheets)**. Students explored concepts and learned how to connect CSS and HTML elements to create advanced layouts and styles using the Box Model and CSS properties.

In addition to learning CSS, students were also stretched in their **networking and presentation skills** - bringing their Personal Portfolio projects to life and share their work with industry experts from BlackRock!

It was amazing to see students **grow in their confidence** with one another, as well as with guest speakers, as they shared a little bit about themselves and their projects. Scholars were tasked with presenting what challenged them the most and they are looking forward as we enter the home stretch of our 12-week program!

CSS: Cascading Style Sheet

- ▶ A styling language:
 - Similar to the "clothes" of a web page.
- ▶ Allows styles for the entire web page to be changed in one place.
 - Text size/color/alignmen
 - Borders and margins
 - Image dimensions

DOWN THE PIPELINE

OFFICE HOURS

Every Monday: HYPE offers weekly office hours on Mondays at 4:30 pm - hosted by our amazing college student volunteers! We encourage your students to take advantage of this opportunity for individualized and small-group support

HYPE FUTURE OF TECH SCHOLARSHIP

11/5: We are encouraged and inspired by the girls that we come across on a daily basis. We choose to invest in them because they are the future of tech!

Please share with your **current high school juniors and seniors** this simple scholarship application! **No GPA requirements. No Long Essays.**

Students can apply at gethype.org/scholarship

WE DON'T WANT YOU TO MISS A THING ...

Here are some additional updates and opportunities to be on the lookout for!

CORPORATE PARTNER WEEK 2

11/17 at 4:00 pm: So nice we're doing it twice! We're excited for our 2nd Corporate Partner Week featuring new volunteers who will be working with HYPE Scholars on the completion of their final group projects. We ask that all students and group representatives be present!

HYPE NIGHT 2021

12/2 at 6:00 pm: SAVE THE DATE and REGISTER TODAY for an end of the year event that will have everyone laughing, playing, and talking about it the next week.

You don't want to miss out on HYPE Night! Register to for the free virtual stream at bit.ly/HYPENight21
