I. INTRODUCTION

Atlanta Public Schools (APS) became a charter system on September 25, 2015 to increase student achievement and improve organizational effectiveness and efficiency. APS's charter contract became effective July 1, 2016; the contract was renewed in July 2021. A key component of operating as a Georgia charter system is the establishment of Local School Governance Teams at the APS neighborhood schools. Local School Governance Teams are also known as LSGTs and/or GO Teams.

GO Teams work with school leadership and the community to help determine the long-term direction of the school, design innovative solutions to increase student achievement, and serve as school ambassadors to the local community.

This handbook outlines the governance guidelines, procedures, conflict of interest requirements, and code of conduct for all GO Teams formed in Atlanta Public Schools. All APS GO Teams shall operate in accordance with the requirements of this handbook at all times.

II. LOCAL SCHOOL GOVERNANCE TEAMS GUIDELINES

ARTICLE I: NAME, LOCATION, AND PURPOSE

Section 1.1. Name. The name of the entity is Local School Governance Team. It is hereinafter referred to as “GO Team.”

Section 1.2. Governance. Atlanta Public Schools consists of two (2) governance levels:

1. The Board of Education and the Superintendent of Schools retain ultimate oversight and accountability for the district, its operations, and all student achievement results. The Board of Education and the Superintendent of Schools retain and exercise system-level governance and maintain responsibility for setting all system-wide policies, procedures, curriculum, adoption of required best practices, and the management of human resources and personnel decisions. The Superintendent delegates authority for the management of the GO Teams to the Charter System and School Governance Office, in accordance with regulation BBFB- R (1) Local School Governance Teams.
2. GO Teams exercise school-level governance delegated by the APS Superintendent of Schools by helping to set the long-term direction of their school as well as to design and implement school-level innovations that are responsive to their local school needs.

Section 1.3 Support. APS will provide three types of governance support:

1. The APS District Support Team will provide strategic direction and will manage the implementation of all aspects of the charter system.
2. The Charter System and School Governance Office will provide direct oversight, training, and support to all GO Teams. This includes, but is not limited to, the elections process, training, policy development, the school-based solutions process, compliance processes, and resolving disputes. The Charter System and School Governance Office will issue the GO Team Handbook annually and update it as needed. The official version of the GO Team Handbook will reside on the Atlanta Public Schools’ website.
3. The APS Central Administration will support all district schools through system-wide planning processes, managing data systems that drive decision-making at the local school and system level, providing instructional support aligned with the curriculum, setting the system budget and fiscal structures and allocating resources to schools, and ensuring resources and infrastructure such as facilities, transportation, nutrition services, and technology are available and effective. The Central Administration is responsible for managing system-wide compliance with all federal programs.

Section 1.4. Non-Discrimination. The GO Team will not discriminate on the basis of race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical status, military status, veteran status, marital status, sexual orientation, gender identity or expression, genetic information, ancestry, or any legally protected status in accordance with applicable federal or state laws in electing or appointing GO Team members or any other GO Team action. The GO Team will conduct all activities in accordance with all applicable local, state, and federal anti-discrimination laws.

ARTICLE II: LOCAL SCHOOL GOVERNANCE TEAMS MEMBERSHIP AND DUTIES

Section 2.1. GO Team Operations. The GO Team operates under the control and management of the Atlanta Public Schools Board of Education and will follow Board of Education policies and procedures unless a waiver is granted.

Section 2.2. Powers. Upon successful completion of APS GO Team certification (*see [Section 2.14 for Certification Requirements](#)*), the GO Team has the authority to:

- a. Approve the school strategic plan and update and monitor its implementation;
- b. Develop innovative ideas for school-level flexibility through the School-Based Solutions process;
- c. Provide input on school-based curriculum selection and accompanying instructional materials;
- d. Give feedback on and approve the annual school budget recommendations;
- e. Make suggestions regarding school operations decisions that support the school strategic plan;
- f. Participate in the selection of a new principal, in the case of a vacancy as outlined by the District's [Office of Human Resources](#); and
- g. Offer annual feedback on principal performance to the Associate Superintendent.

These basic responsibilities align with the following areas of decision-making authority as identified in the APS Charter System Contract and the Charter Schools Act of 1998: personnel decisions, financial decisions, resource allocations, establishing and monitoring the achievement of school improvement goals, and school operations.

Section 2.3. Additional Responsibilities. The GO Team is also responsible for the following duties:

- a. Communicate GO Team work to stakeholders, including: students, parents, community members, faculty, and staff;
- b. Participate in an annual assessment of the GO Team's performance and results;

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

- c. Meet a minimum of six times each school/fiscal year (July 1 - June 30); and
- d. Abide by state Open Meetings and Open Records laws.

Section 2.4. Membership. The GO Team has the following membership structure:

- a. Three (3) parents/legal guardians elected by the parents/legal guardians of the school;
- b. Three (3) non-supervisory instructional staff elected by the full-time employees of the school;
- c. Two (2) community members nominated by the principal and approved by the voting GO Team members;
- d. One (1) Swing Seat member nominated by the principal or elected GO Team members and approved by voting GO Team members. Swing Seat nominations may be teachers, instructional support staff members, parents, business partners, and general interest community members;
- e. (High School Only) Two (2) students appointed by the principal: one based upon input from the team and one elected by the student body (may be an elected member of a school-wide student governing body);
- f. The principal serves as an ex-officio non-voting member of the GO Team; and
- g. For schools with multiple campuses or student enrollment over 1,200 students, an Assistant Principal or Program Administrator may serve as an additional ex-officio non-voting member of the team.

It is the goal for GO Teams to have no more than 4 voting members who are also on staff in the school. GO Teams should strive to maintain a balance of parent, staff, and community members. GO Team members may request to alter the membership structure of the GO Team through the School-Based Solutions process (*see [Part III. PROCEDURES](#) for information on [GO Team Elections](#) and [School-Based Solutions](#)*).

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

Community members may be representatives of existing or new partner organizations, alumni, or concerned, engaged citizens. A community member may also be the parent/guardian of a student at the school. Full-time Atlanta Public Schools employees are not eligible to serve in community member seats on GO Teams. There will be no exceptions;
- h. Only one family member per household may serve on the same GO Team;
- i. No person may serve on more than one GO Team at any given time; and
- j. Each GO Team candidate and/or GO Team member must be at least eighteen years of age, with the exception of student representatives.

If at any time a GO Team Candidate or member does not meet the above qualifications, the Candidate will be ineligible to run and the member will be ineligible to continue service and may be removed (see [Section 2.8 Vacancies](#)).

Section 2.6. Performance of Duties. It is the responsibility of each GO Team member to perform his or her responsibilities faithfully, carefully, and with good intentions. All members of the team (including the principal) must be diligent and must hold each other accountable through being prepared for meetings, participating in discussions, asking questions, and holding high expectations for themselves and others.

Additionally, each GO Team member will:

- a. Complete mandatory training as required for service on the GO Team, including the required orientation training for certification (see [Section 2.14 for Certification Requirements](#)).

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

- b. Attend 75% or more of the scheduled GO Team meetings within their elected term. A GO Team member who fails to attend 75% of GO Team meetings, or misses three consecutive meetings, may be removed from the GO Team.
- c. Serve as an ambassador for the school by being willing to interact on a regular basis with the school community. This may include attending school or district meetings or events.

Section 2.7. Code of Conduct. Each member of the GO Team must abide by the GO Team Handbook regarding conflict of interest, code of ethics, confidentiality, gifts and solicitations, and any additional Code of Conduct guidance set forth which affects the GO Team. Details on the Code of Conduct can be found in [Part IV CODE OF CONDUCT](#).

Section 2.8. Vacancies. Vacancies on the GO Team must be filled no later than 60 days from the departing GO Team member's removal or resignation or on a timeline approved by the Charter System and School Governance Office. The replacement member will be nominated by the principal and appointed by a majority vote of the remaining GO Team members. The replacement member will fill the vacancy until the position's regularly scheduled election, at which time the replacement member may be eligible for election or appointment through the regular election/appointment processes. Replacement members must meet the same eligibility requirements for the vacant position, and all rules for GO Team member participation must be followed. For seats vacant for more than 60 days, the Charter System and School Governance Office may provide support to identify an eligible individual to fill the seat. A replacement member will be considered to have served a full term if the length of their service is equal to or greater than one (1) school/fiscal year.

Section 2.9. Resignations. A GO Team member may resign at any time. Such resignation must be expressed and submitted in writing to the GO Team's Chair, Principal, and the Charter System and School Governance Office unless waived by majority vote of the remaining GO Team members. The GO Team's acceptance of the resignation is not necessary to make it effective.

Section 2.10. Removal. Any voting member may be removed from the GO Team for lack of attendance (see [Section 2.6 Performance of Duties](#)), not performing GO Team duties, loss of eligibility (see [Section 2.5 Qualifications](#)), or for being in violation of the Local School Governance Teams [Code of Conduct](#).

- a. If any member is determined to be negligent of GO Team responsibilities, a GO Team member may make a motion that a member be recommended for removal from their GO Team. Following an affirmative vote of two-thirds of the GO Team members present at the GO Team meeting, the GO Team Chair will notify the District Support Team of the recommendation for review. The District Support Team will recommend the GO Team's next course of action.

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

- b. The District Support Team may also recommend the removal of a candidate, member, or members of a GO Team if an investigation shows that removal is warranted. The Superintendent or his or her designee shall approve all recommendations from the District Support Team to remove a member of a GO Team.

Section 2.11. Compensation. All GO Team members will serve voluntarily and will not receive any compensation for their service as GO Team members. Employees who volunteer to serve are committing to attend GO Team meetings scheduled outside the workday. As volunteers, GO Team members may be expected to participate in some GO Team activities during the summer months when school is not in session and on other dates outside of the teacher contract year. GO Team members will not be reimbursed for expenses related to routine GO Team meetings and service, including mileage, meeting expenses, or other expenses incurred as a result of that service.

Section 2.12. GO Team Assessment. On an annual basis, the school system will conduct a formal assessment of the GO Team’s performance which will include a self-evaluation of the GO Team. The purpose of the assessment is to evaluate how well the GO Team is fulfilling its purpose, duties, and responsibilities.

Section 2.13. Accountability. In such circumstances when the GO Team is unable to fulfill its duties and responsibilities, the Superintendent retains the authority to require specific school-level interventions, to revoke any and all approved School-Based Solution requests; and to dissolve the current GO Team. Such actions do not require the support of the GO Team.

Section 2.14. GO Team Certification. The GO Team must earn certification in order to exercise its responsibilities. Certification requires:

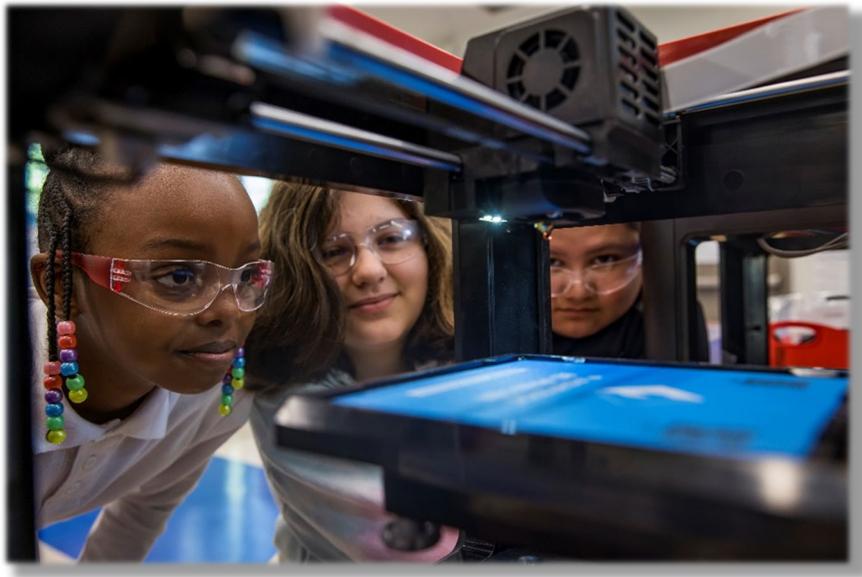

- a. Successful completion of GO Team training requirements by all members;
 - a. New Member Orientation Training (both parts) must be completed within one year of joining a GO Team, otherwise the member may be removed;
 - b. New Member Orientation Training is valid for four (4) calendar years, after which time it must be renewed;
- b. Required annual trainings must be completed by June 30 of each year;
- c. Background checks will be completed as outlined in Atlanta Public Schools Board Policy GAK(1): Criminal Background Check and Regulation GAK(1)-R(2) – School Volunteers; and
- d. Compliance with GO Team election, appointment, and assessment processes as defined in this handbook.

Section 2.15. GO Team Certification Renewal/Retention. In addition to the completion of annual training requirements for each GO Team member, the GO team as an entity must meet certification requirements. These requirements include the annual compilation and submission of evidence of successful governance in the following areas:

- a. Approving and monitoring of the school strategic plan and its implementation;
- b. Providing input into and approving the annual school budget;
- c. Participating in the APS annual assessment of the performance/results of the GO Team;
- d. Conducting open meetings and maintaining documentation of such meetings; and
- e. Ensuring that all GO Team seats are filled via an open and inclusive process;
- f. Maintaining Compliant GO Team website, complete with contact information of GO Team members, meeting notices, summaries, agendas, minutes, meeting recordings, and other documents as required by the Charter System and School Governance Office.

This evidence will be included in the annual GO Team Assessment conducted by the school system. Based on this assessment, APS will either renew the GO Team’s certification or require school-level interventions to bring the GO Team into compliance with these requirements.

Section 2.16. School-Based Solutions. The GO Team is responsible for managing the School- Based Solutions process at their school. Details about the School-Based Solutions process are found in **Part III PROCEDURES**.

ARTICLE III: GO TEAM MEETINGS

Section 3.1. Meetings. Regular meetings of the GO Team will be held at least six (6) times per school/fiscal year at such times and places as the GO Team will determine. Opportunities for public comment shall be provided at least four (4) times per school/fiscal year. All GO Team meetings must be held outside of school instructional hours to protect student instructional time and employee work hours. These meetings are subject to the requirements of the Georgia Open Meetings Law and the [APS Charter System Contract](#) (as applicable and amended from time to time), which include:

- a. The meeting time, date, and location must be posted at least 24 hours before the meeting at the school and on the school's GO Team webpage. However, standard practice for APS GO Teams will be for schools to post meeting notices at least seven calendar days before the meeting.
- b. The meeting agenda must be posted at least 24 hours before the meeting (at school and on website). However, standard practice for APS GO Teams will be for schools to post regular meeting agendas at least seven calendar days before the meeting (at school and on school website). Draft form is acceptable for agendas posted a week prior to the meeting (see [Sample Agenda in Appendix C](#)).

Draft meeting minutes are acceptable for meeting summaries.
- d. Draft meeting minutes must be provided to GO Team members within 20 calendar days after the meeting for review prior to the next scheduled meeting.

- f. GO Team meetings may be virtual. Virtual meetings must also comply with the Open Meeting Act (i.e. – the public must be able to attend/observe these meetings);
- g. All GO Team meetings will be livestreamed and recorded. Recordings will be accessible from each school's GO Team webpage within two (2) business days of the meeting.

Section 3.1.1 Work Sessions. GO Teams may have up to four work sessions in a school/fiscal year. Work Sessions provide members the opportunity to meet in order to

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

delve into complex issues, discuss solutions, and finalize agendas. Work sessions may be held immediately prior to a regular meeting or may be held at other times as established by a majority vote. These meetings are typically less formal and are often used for information gathering. There are no formal votes taken. These work sessions are subject to the Open Meetings Law. Work session attendance does not count toward the official attendance duties for GO Team members.

- a. The work session time, date, and location must be posted at least 24 hours before the meeting (at school and on website).
- b. The work session agenda must be posted 24 hours before the meeting (at school and on website).
- c. A report of the work session must be submitted at the next regular GO Team meeting and included as part of the meeting's minutes.
- d. Work sessions may be virtual. Virtual meetings must also comply with the Open Meeting Act (i.e. – the public must be able to attend/observe these meetings);
- e. Work sessions will be livestreamed and recorded. The recording of the session will be accessible from each school's GO Team webpage within two (2) business days of the session.

Section 3.1.2 Emergency Meetings. With the approval of the District Support Team, an emergency meeting of the GO Team may be held outside of the regular meeting schedule at the request of the Superintendent/Designee, District Support Team, or the Charter System and School Governance Office to discuss and/or give input on unexpected, urgent matters of school-wide importance. No votes or action may be taken in an emergency meeting of the GO Team without prior approval from the Charter System and School Governance Office. Public notice for emergency meetings must be posted and communicated as soon as practicable after the need for a meeting has been identified, in accordance with the Open Meetings provisions in state law. A summary of the meeting must be posted on the school's website within two (2) business days of the meeting.

Section 3.1.3 Executive Session. GO Teams may only enter Executive Session as permitted by law. If an Executive Session is needed, the Charter System and School Governance Office will work with the GO Team's Chair to schedule and facilitate the session. Georgia Open Meetings Law requires government entities to be fully transparent to the public. Government entities cannot vote or take action outside of the public eye. Violations of the Open Meetings Law may result in a misdemeanor charge and \$1000 fine.

Section 3.2. Notice. At the first meeting of the GO Team each school year, the team shall adopt a meeting schedule for the entire year and post it on the school's GO Team webpage. The GO Team secretary or his/her designee will remind each GO Team member in writing of the time and location of the meeting at least one week in advance of each regular GO Team meeting. Notices of regularly scheduled GO Team meetings will be posted publicly in

the school, on the school’s website, and provided to the public via all appropriate school communication channels as required by the Open Meetings Act (see [Section 3.1 Meetings](#)). Each notice will state the date, time, link, and location of the meeting and the general nature of the topics that will be discussed and the decisions that will be made.

Section 3.3. Quorum. At any meeting of the GO Team, the presence of a majority of the voting members will be necessary to constitute a quorum for the transaction of business (see [table below for specific examples](#)). Voting by proxy is not allowed. When a vote is required, the GO Team will make decisions by majority vote in all matters except where otherwise indicated in the GO Team Handbook. The acts of a majority of GO Team members present at a meeting at which a quorum is present will be the acts of the GO Team, except where otherwise indicated.

Section 3.4. Public Comment. Opportunities for public comment shall be provided at least four (4) times in a school/fiscal year and noted on the meeting agenda. Public comment opportunities are available for GO Teams to hear from interested members of the community. GO Team members will not provide responses or engage in direct conversation during meetings. Each GO Team shall determine a consistent protocol for receiving public comments and for parents and other citizens to sign up to address the team, provided that the team offer at least 20 minutes of time to the public to make comments at each meeting where public comment is permitted, and that the public receive at least 2 business days’ notice of the process for signing up to speak (see [Appendix D: Sample Public Comment](#)).

ARTICLE IV: GO TEAM OFFICERS

Section 4.1. Titles. The GO Team will have a Chair, Vice-Chair, and Secretary.

III. PROCEDURES

A. GO Team Elections

GO Team member elections will be decided by a secret ballot of parents/guardians of children attending the school and of school employees.

Initial terms during the system’s planning year election cycle will be staggered to ensure continuity. Therefore, members will serve either a two- or three-year term during the start-up period. Candidates for GO Team positions will determine which seat to run for based on the length of the term they desire to fill and declare their interest in running for that specific position accordingly. After the planning year elections, all subsequent terms of office shall be for 2 years.

New schools in APS will build their GO Teams through the established election and appointment cycle; the first election will be held in the spring of the school’s first year of operation. Schools will have a full GO Team after the organizational GO Team meeting in their third year of operation.

The Charter System and School Governance Office may hold a special election to accommodate school changes as needed.

B. Planning Year Term of Office

The planning year included the election and establishment of the inaugural GO Teams and ran from March 14 to June 30, 2016. GO Team members elected or appointed during the GO Team’s inaugural year served staggered terms that included the planning year in addition to a two- or three-year term of office. The initial election of GO Team members for the planning year included elections for both two-year terms and three-year terms (candidates chose to run for either a two-year or three-year seat) to allow for a staggered rotation of members. Each member was then eligible to serve for one additional term if elected/appointed.

Initial Term	Term Beginning Date	Term Ending Date
Two years	March 15, 2016	June 30, 2018*
Three years	March 15, 2016	June 30, 2019*

*exact date may change based on election schedules in 2018 and 2019

Student members did not participate in the planning year.

In the planning year during the inaugural year of the GO Teams, the following elections and appointments took place to establish a staggered rotation:

- Parent Representatives:
 - Two (2) parent/guardians with a two-year term

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

- One (1) parent/guardian with a three-year term
- Non-supervisory instructional staff representatives:
 - Two (2) non-supervisory instructional staff with a two-year term
 - One (1) non-supervisory instructional staff with a three-year term
- Swing Seat Representative:
 - One (1) with a three-year term
- Community Representatives:
 - One (1) community member with a two-year term
 - One (1) community member with a three-year term

After the planning year, all terms, except student representative, will be two years; students serve for one year

C. Subsequent Terms of Office

No member will serve more than two consecutive terms in the same school. No member will serve more than two consecutive terms by shifting to another GO Team member category or role. Terms will be staggered so that there is at least one parent, non-supervisory instructional staff, community member, and student (as applicable) elected/appointed each year. The term of office will begin July 1 and end June 30. Seats will be referred to as Even and Odd based upon election years.

Student representatives (high school only) will serve one-year terms for the school year in which they are participating. Students may serve a maximum of two consecutive one-year terms.

D. Election Timeframe and Candidate Declaration

With the exception of the planning year, elections will be held in the spring semester prior to the end of the school year.

Near the beginning of the spring semester, the district will begin advertising candidate declaration information. All candidates are responsible for declaring candidacy within this window of time. After the GO Team candidate declaration window is closed, no candidates will be permitted to declare their candidacy for the upcoming election. Candidates will receive a copy of their declaration to the email they provide. All candidates are strongly encouraged to print a copy of the final registration page and retain a copy for their records. If the candidate finds an error in their candidate profile, they must notify the Charter System and School Governance Office before the declaration window closes. If the candidate finds an error in their profile after the declaration window closes, the candidate profile will remain as it was submitted.

The Charter System and School Governance Office will confirm each candidate's eligibility during the declaration window based upon the district's student and employee information

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

system. Candidates will be informed of their eligibility status in a timely manner. If a candidate's eligibility is challenged after the initial confirmation, the Charter System and School Governance Office will investigate the challenge after reviewing all available evidence and issue a decision on the candidate's eligibility.

E. Election Procedures for Parent/Guardian Representatives

The Charter System and School Governance Office will manage the election process. Ballots will be tabulated by an unbiased external vendor.

Parents/guardians with at least one child enrolled in an APS neighborhood school will receive one vote per household, as identified by the student information system, Infinite Campus, for the parent/guardian. Parents/guardians with children enrolled in multiple schools will receive one vote in each school in which they have a child enrolled.

The election will be conducted via an online process as determined by the Charter System and School Governance Office in which each eligible voter can cast a ballot.

The voting period will be no less than one calendar day and no more than fourteen calendar days. Notice of the voting period will be published prior to the voting period in school publications, notices sent home to families, and/or listed on the school's website.

Results of the election will be published on the district's website no later than 10 business days after the closing date of the voting period.

F. Election Procedures for Non-Supervisory Instructional Staff Representatives

The Charter System and School Governance Office will manage the election process. Ballots will be tabulated by an unbiased external vendor.

Regular, full-time school employees will be eligible to vote for non-supervisory instructional staff representatives at their worksite. Each employee in the school will have one vote. The election will be conducted via an online process as determined by the Charter System and School Governance Office.

The voting period will be between one and fourteen calendar days for non-supervisory instructional staff positions. Notice of the voting period will be published in school publications, notices sent to non-supervisory instructional staffs via e-mail, and posted on the school's website.

Results of the election will be published on the district's website no later than 10 business days after the closing date of the voting period.

G. Procedure for Community Member Nominations and Approvals

Community representatives will be nominated by the principal and approved by the voting members of the GO Team.

At a GO Team's annual organizational meeting, the principal will present the list of nominees for the open community seat. The GO Team will vote on the nomination. The individual who receives the majority vote will be appointed to the seat.

During a GO Team's inaugural organizational meeting, the principal will present the list of nominees for the open community seat to the elected members of the team. The nominee will be approved by a majority vote. In the following year, GO Team members currently in office will consider and vote on the principal's nominee for the other community representative seat.

H. Procedure for Selection of Student Representatives on High School GO Teams

High school GO Teams will have two student representatives identified and appointed by the principal. At least one student will be an elected representative of the student body (may be an elected officer in a school-wide student organization or grade). Criteria for selecting student members for appointment are:

- The student representatives must be currently enrolled in the school; and
- There will be no restriction on the grade level of the students serving.

I. Procedures for After the GO Team Elections Window Has Closed

Embargoed Election Results - The Charter System and School Governance Office reserves the right to embargo elections results for five (5) business days after the elections window closes. During this time, elections results may be available to principals, the District Support Team, and winners of each contest.

Elected Candidates Change in Status Before the First Meeting of their Term - Elected GO Team members who choose to step down or no longer meet the eligibility criteria for their seat before the first meeting of their term will be replaced by the candidate who received the next highest number of votes cast in the same contest. If there are no additional candidates, the seat will be filled through the Vacancy process.

Runoff Elections - A runoff election will be conducted when two candidates running for the same term receive the same number of votes during the initial election, and a winner is not apparent. The runoff election window will be defined by the Charter System and School Governance Office and communicated to the public. Runoff elections will utilize an online

voting system. The same guidelines used in the initial election will apply for the runoff election. The candidate with the most votes will win the runoff election.

J. GO Team Election Campaigning Guidelines

Schools may conduct candidate forums that provide equal access to all candidates using the approved GO Team candidate forum resources.

GO Team candidates may not collect or accept financial donations to support their election bid.

Schools may conduct voter drives that encourage all voters to vote during elections.

GO Team candidates may campaign outside of the school's instructional day.

Other than materials provided by the Charter System and School Governance Office, no Atlanta Public Schools (APS) resources may be used for individual campaigning activity. For these purposes, Atlanta Public School resources include, but are not limited to:

- APS letterhead and logos, GO Team letterhead and logos, and individual school letterhead and logos;
- Office supplies;
- Office space and other facilities;
- Photocopiers, telephones and faxes;
- District Email, District/school websites, etc.; and
- Employee work time.

K. GO Team Assessment

The purpose of the GO Team assessment is to identify those areas of GO Team operations that are working well and those that may need improvement. The GO Team assessment speaks to the GO Team as a whole, not to individual members. It is the evaluation process of the overall effectiveness of the GO Team as a decision-making group. Each GO Team member agrees to submit an objective, honest assessment survey regarding GO Team performance at least once per year, and to carefully consider the assessment results provided by the Charter System and School Governance Office. Failure to participate in the GO Team assessment may result in revocation of approved School-Based Solutions and/or the removal of the GO Team.

L. Media Relations

GO Team members will not make statements, provide information for distribution, or provide background information to any media source unless specifically directed to do so by the principal and/or a representative of APS.

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

M. Feedback on Principal Performance

Associate Superintendents will evaluate the principal's performance in each school. Associate Superintendents will ask the GO Team for feedback on the principal's performance during that evaluation process, which will take place annually beginning in the GO Team's first full year of service.

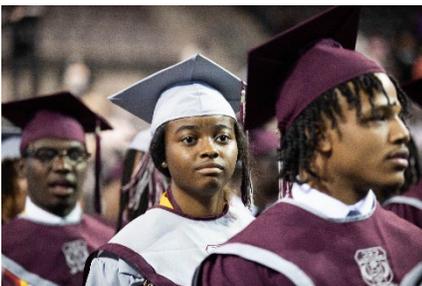

N. School-Based Solutions Process

The GO Team is responsible for managing the School-Based Solutions process at its school. The intent of School-Based Solutions (SBS) is to improve student achievement through academic and/or organizational innovation. The GO Team must be certified to engage in the SBS process.

SBS requests are strategic proposals designed to allow the school to operate in dramatically different ways. SBS requests may require waivers from district policy or procedures or state law, regulations, or policy. A successful SBS proposal to the district must align with the school's strategic plan, provide evidence of sound research or indicators of the proposal's likelihood of success, and address critical factors around the plan's implications on budget, personnel, operations, etc.

The GO Team manages all SBS proposals and may engage in the development after GO Team certification and approval of the school's strategic plan. After development, all SBS proposals must undergo a 20-day public comment period organized by the GO Team, be approved by a two-third majority vote of the GO Team, and must receive the recommendation of the school's Associate Superintendent before being submitted to the Charter System and School Governance Office for the final review and approval or denial by the Superintendent.

Standards, guidance, and training for the SBS process will be provided annually to GO Teams and posted on the district's website.

APPENDIX A: Open Meetings Act and Charter System Contract Requirements

Summary of Open Meetings Act and Contract Requirements

GO Teams are subject to the Open Meetings Act and requirements of the District's Charter System Contract. The Open Meetings Act is located at OCGA § 50-14-1, *et seq* ([Official Code of Georgia Annotated](#)). The District's Charter System Contract is located at apsstrongschools.com.

A meeting for the purposes of the Open Meetings Act is defined as a quorum of the members of the GO Team or any committee of its members at which any public matter, official business, or policy is to be discussed or presented, or at which official action is to be taken, or recommendations on any public matter, official business, or policy are to be formulated, presented, or discussed.

All meetings are open unless otherwise provided by law. Regular meetings of the GO Team must have:

- Notice given to the GO Team members at least seven days prior to a meeting (OCGA § 20-2-86[f])
- The meeting time, date, link, and location (if a hybrid meeting) must be posted at least 24 hours before the meeting at the school and on the school's GO Team webpage. Standard practice for APS GO Teams will be for schools to post regular meeting notices at least seven (7) days before the meeting.
- The meeting agenda must be posted at least 24 hours before the meeting at the school and on the school's GO Team webpage, and it must include all matters expected to come before the GO Team. Standard practice for APS GO Teams will be for schools to post regular meeting notices at least seven (7) days before the meeting at the school and on the school's GO Team webpage. Draft form is acceptable for agendas posted a week prior to the meeting.
- A meeting summary of attendees and actions as well as approved minutes (including all documents, presentations, and reports provided) from the previous meeting must be posted within two (2) business days after the meeting at the school and on the school's GO Team webpage (OCGA § 50-14-1[e]).
- A link to the meeting recording must be posted within two (2) business days after the meeting on the school's GO Team webpage.
- Draft meeting minutes (including all documents, presentations, and reports provided) must be sent to GO Team members within 20 days after the meeting for review prior to the next scheduled meeting (**note: not posted, just provided to GO Team members**) (OCGA § 20-2-86[l]).

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

Note: Failure to include an item on the posted agenda that becomes necessary to address during the meeting does not prohibit the GO Team from considering and acting upon the items.

GO Team meeting summaries must:

- Be written and made available to the public for inspection within two business days of the adjournment of the meeting; and
- Include the subjects acted on and the members present at the meeting.

GO Team meetings must have minutes that:

- Are promptly recorded and open to public inspection once approved as official by the GO Team no later than immediately following the next regular meeting of the GO Team;
- Include, at a minimum, the name of the school, date and of the meeting, the names of GO Team members present, a list of agenda items, the description of each motion or other proposal made during the meeting, names of those individuals making and seconding each motion or proposal, and a record of all votes taken and the results of those votes;
- Include the name of each person voting for or against the proposal, or abstaining from voting on the proposal;
- Are kept on file at the school office for anyone to request to review (OCGA § 20-2-86[1]); and
- Are sent to GO Team members within 20 days following each GO Team meeting (OCGA § 20-2-86[1]) for review. After review, the meeting minutes will be voted on and adopted at the beginning of the next GO Team meeting.

Visual and/or sound recording of GO Team meetings is required.

A meeting may not be closed in order to discuss whether or not to close a meeting.

Violation of Open Meetings Act

1. Anyone knowingly and willfully conducting or participating in a meeting in violation of the Open Meetings act is guilty of a misdemeanor and, upon conviction, punished by a fine not to exceed \$1000.00. Alternatively, a civil penalty may be imposed by the court in any civil action brought pursuant to this chapter against any person who negligently violates the terms of this chapter in an amount not to exceed \$1,000.00 for the first violation. A civil penalty or criminal fine not to exceed \$2,500.00 per violation may be imposed for each additional violation that the violator commits within a 12-month period from the date that the first penalty or fine was imposed (OCGA § 50-14-6).
2. Superior courts have jurisdiction to enforce the Open Meetings law; the attorney general has the authority to bring law enforcement actions, criminal or civil.
3. If a superior court determines that a GO Team has not complied with the act, the court will—unless special circumstances exist—assess in favor of the complaining party reasonable attorney's fees and other litigation costs.

APPENDIX B: GO Team Member Immunity

Duly elected and appointed members of APS GO Teams are afforded legal immunity for their voluntary service as GO Team members under Georgia state law (O.C.G.A. 51-1-20(a)). This immunity protects the GO Team member from any civil litigation based on actions taken as part of his/her official duties and responsibilities as a GO Team member as long as the GO Team member acted in good faith and within the proper scope of his/her role as a GO Team member.

Federal law also provides a source of immunity from legal liability for GO Team members due to their volunteer status. As long as the GO Team member's conduct in question did not occur due to willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, flagrant indifference to the rights or safety of others, the GO Team member will be immune from liability for the action ([42 U.S.C. 14501-14505](#)).

APPENDIX D: PUBLIC COMMENT PROTOCOL

PUBLIC COMMENT TIPS

The GO Team meetings are open to the public. School and community stakeholders are welcome to attend the meetings to remain abreast of the work of the GO Team, but they may only participate in the meeting during the scheduled periods for Public Comment. GO Teams are required to reserve time for Public Comment in at least 4 of their meetings and must visibly indicate on the agenda if Public Comment will be allowed. Here are some tips for Public Comment:

1. The GO Team is not required to schedule time for Public Comment at every meeting.
2. Public Comment should be scheduled for major action items (items that need a GO Team vote) that will require public input or need public buy-in (ex. An SBS proposal requires Public Comment). GO Teams should determine their meeting schedules for the year and decide which meetings will allow Public Comment.
3. Consider the schedule of the school community for those meetings that do allow Public Comment in order to give your community the chance to participate. This will help the GO Team determine whether to place time for Public Comment at the beginning of the agenda or at the end.
4. Set a specific time for your Public Comment period. For example, you could allot a 20-minute segment on the agenda for Public Comment and allow each member of the public to have 2 minutes to speak during that segment. At the end of the Public Comment period, the Chair should close Public Comment and move on to the next agenda item.
5. Post a clear process for how individuals sign-up or indicate they wish to speak.
6. GO Team members should not respond during the Public Comment period. The Public Comment period is designed to gain input from the public – not for immediate responses by the GO Team to the public comment presented. The GO Team should listen attentively to all comments and take the summation of the comments into consideration when making decisions.
7. Remind the public that a scheduled Public Comment period on the agenda is not the only means for providing input. The GO Team should encourage the public to contact them via their APS email addresses. Emails sent to GO Team members about school concerns are also considered public comment. If there are urgent matters that need the GO Team’s attention, the school can organize Information Sessions or the GO Team can schedule separate Public Comment meetings to gather that information from stakeholders.

Example Scripts for Meetings With and Without Public Comment

The following are sample scripts for you to use as you open your GO TEAM meetings. We encourage you to use this sample language and adjust as appropriate for your specific school and meeting.

GO TEAM Script for Meeting with Public Comment

For those of you wishing to provide comment, there is time allotted on the agenda from 6 p.m. – 6:20 p.m. The sign-up sheet is by the door. Each member of the public will have 2 minutes to speak at which time we will ask you to have a seat to allow others to speak. The Public Comment period is designed to gain input from the public and not for immediate responses by the GO Team to the public comment presented. At the end of the 20 minutes we will close public comment and move on to the next agenda item. If there are questions or information that you have for the GO Team, you may also contact one or more of the GO Team members after this meeting. Partner Schools

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

I. Introduction

Atlanta Public Schools (APS) became a charter system on September 25, 2015 to increase student achievement and improve organizational effectiveness and efficiency. As part of this increased flexibility, Atlanta Public Schools took an innovative approach to school transformation and partnered with credentialed and proven professional school operators to manage and “reset” some of their lowest performing schools in 2016. These schools are referred to as APS's "Partner schools," and like APS's traditional neighborhood schools, Partner schools are a part of the APS charter system.

A key component of operating as a Georgia charter system is the establishment of Local School Governance Teams that operated at the school level, known in APS as GO Teams. Like APS's traditional neighborhood schools, Partner schools will also have GO Teams. These GO Teams will work with school leadership and the community to provide input on the long-term direction of the school, innovative solutions to increase student achievement and community engagement, and serve as school ambassadors to the local community. Partner schools and their GO teams will adhere to guidance set forth in the GO Team Handbook regarding Membership, Meetings, Officers, Committees, and Code of Conduct. This addendum outlines the governance duties for Partner school GO teams.

II. Partner Schools GO Team Duties

GO teams at Partner schools will exercise their duties set forth in the GO Team Handbook in a manner that will not impede contractual obligations between Atlanta Public Schools and established school operators but will remain in compliance with the APS Charter System Contract and Georgia law.

Section 2.1. Powers. Upon successful completion of APS GO Team certification, the Partner school GO Team has the authority to fulfill the following responsibilities:

- a) Provide input and approve the school-level strategic plan and updates and monitor its implementation
- b) Develop innovative ideas for school-level flexibility through the School-Based Solutions process
- c) Provide input into school-based curriculum selection and accompanying instructional materials
- d) Provide input into the annual school budget recommendations
- e) Make suggestions regarding school operations decisions that support the school strategic plan
- f) Participate in the selection of a new principal, in the case of a vacancy
- g) Offer annual feedback on principal performance to the Executive Director or Head of Schools of the partner school operator

STRONG STUDENTS | STRONG SCHOOLS | STRONG STAFF | STRONG SYSTEM

These basic responsibilities align with the following areas of decision-making authority as identified in the APS Charter System Contract and the Charter Schools Act of 1998: personnel decisions, financial decisions, resource allocations, establishing and monitoring the achievement of school improvement goals, and school operations.

Section 2.2. Additional Responsibilities. The GO Team is also responsible for the following duties:

- a) Communicate GO Team work to stakeholders, including students, parents, community members, faculty, and staff
- b) Participate in an annual assessment of the GO Team’s performance and results
- c) Meet a minimum of six times each fiscal/school year (July 1 - June 30)
- d) Abide by state Open Meetings and Open Records laws

Section 2.3. Modified School-Based Solutions Process and Requests for Flexibility for Partner School GO Teams. Partner school GO teams will go through the School-Based Solutions and Requests for Flexibility processes on the same timeframe and in the same manner as other APS charter system schools and their GO teams. The School-Based Solutions and Requests for Flexibility will be submitted to the Partner School Operator for approval first instead of APS, however. If the School-Based Solution or Request for Flexibility requires a waiver of APS Board Policy, the Partner School Operator and Partner School GO Team should follow APS Policy ABBB to request the APS Board's waiver of the specific provision necessary to implement the School-Based Solution or Request for Flexibility.

I. Introduction

Atlanta Public Schools (APS) became a charter system on September 25, 2015, to increase student achievement and improve organizational effectiveness and efficiency. APS's charter contract became effective July 1, 2016. A key innovative feature as a Georgia charter system is the establishment of a College and Career Academy (Atlanta College and Career Academy) in partnership with Atlanta Technical College.

The Atlanta College and Career Academy (ACCA) will have a Board of Directors who will work with ACCA leadership and the community to help determine the long-term direction of the program, design innovative solutions to increase student achievement, and serve as ambassadors to the local community. The ACCA has a handbook to outline its governance guidelines, procedures, conflict of interest requirements, and code of conduct. The ACCA Handbook and more information can be found on the [ACCA website](#).
