

KIPP:WOODSON PARK

ACADEMY

March 3, 2023

Greetings KIPP Woodson Families,

At KIPP Metro Atlanta Schools, scholar safety is our number one priority. This requires us to have a structured dismissal process to ensure a safe exit from the building. Presently, it is forecasted that we may experience inclement weather that may produce strong winds around the time of our scheduled dismissal.

If the weather requires us to shelter in place, we will suspend the dismissal process until the weather is sustainable to operate the dismissal process. This means all staff and scholars will remain in the building and shelter in place until we receive communication that it is safe to resume the dismissal process. We will notify families as soon as possible if a change in dismissal procedures are required.

We are grateful for your partnership as we insist upon safety for our campus community. If you have any questions or concerns please reach me at the phone number or email below.

Sincerely,

Tara Stifler
Lower School Principal

Emanuel Mathis
Upper School Principal
