

Dear Team & Family,

I hope you all are having a wonderful week. When we made the decision to launch school virtually earlier this year, we committed to proactively seeking your feedback on how virtual learning was going for you and your family. We also started planning for an eventual return to in-person learning in some form. We are asking for your feedback on potential return to in-person learning scenarios as we think about Quarter 2 and Quarter 3.

We are currently preparing for three different scenarios:

- Scenario A, would have scholar instruction remain 100% virtual on the 3-1-1 schedule.
- Scenario B, would have scholar instruction remain 100% virtual on the 3-1-1 schedule. Families would be able to sign up for a limited number of small group (1-3 scholars) supervised synchronous (in person) learning support sessions tentatively starting November 30, 2020.
- Scenario C, would be a hybrid learning schedule with scholars rotating A and B weeks tentatively starting November 30, 2020. Families would be able to elect a full virtual option through December.

## KIPP Metro Atlanta Survey

As we begin to think about our staff and scholars returning to our buildings and a return to in-person learning, it's important that we hear from all of our stakeholders: scholars, families and staff. Please take a few minutes to complete this survey to share your thoughts. Your feedback will help inform our decision around building reopening and returning to in-person instruction.

If you have any questions please do not hesitate to reach out to me or any member of our leadership team.

Thank you in advance for your feedback.

With gratitude, Principal

Dwight Ho-Sang
