

ATLStrong COVID-19 Relief Rental Assistance Fund Application

Greetings:

As you are aware, the impact of the COVID-19 virus is far-reaching across the United States. Many people in the Atlanta region have been negatively impacted because they are unable to work or because their hours have been reduced. We understand that this is a stressful time and that many households will have to make difficult decisions on how to manage their finances.

In response to this crisis, we (in partnership with United Way) are assisting those in need with rental assistance funding.
