

Chromebook Care

When you are not using your Chromebook, always **keep it in its case.**

Set your Chromebook down on a **safe, stable surface... NOT on the floor!**

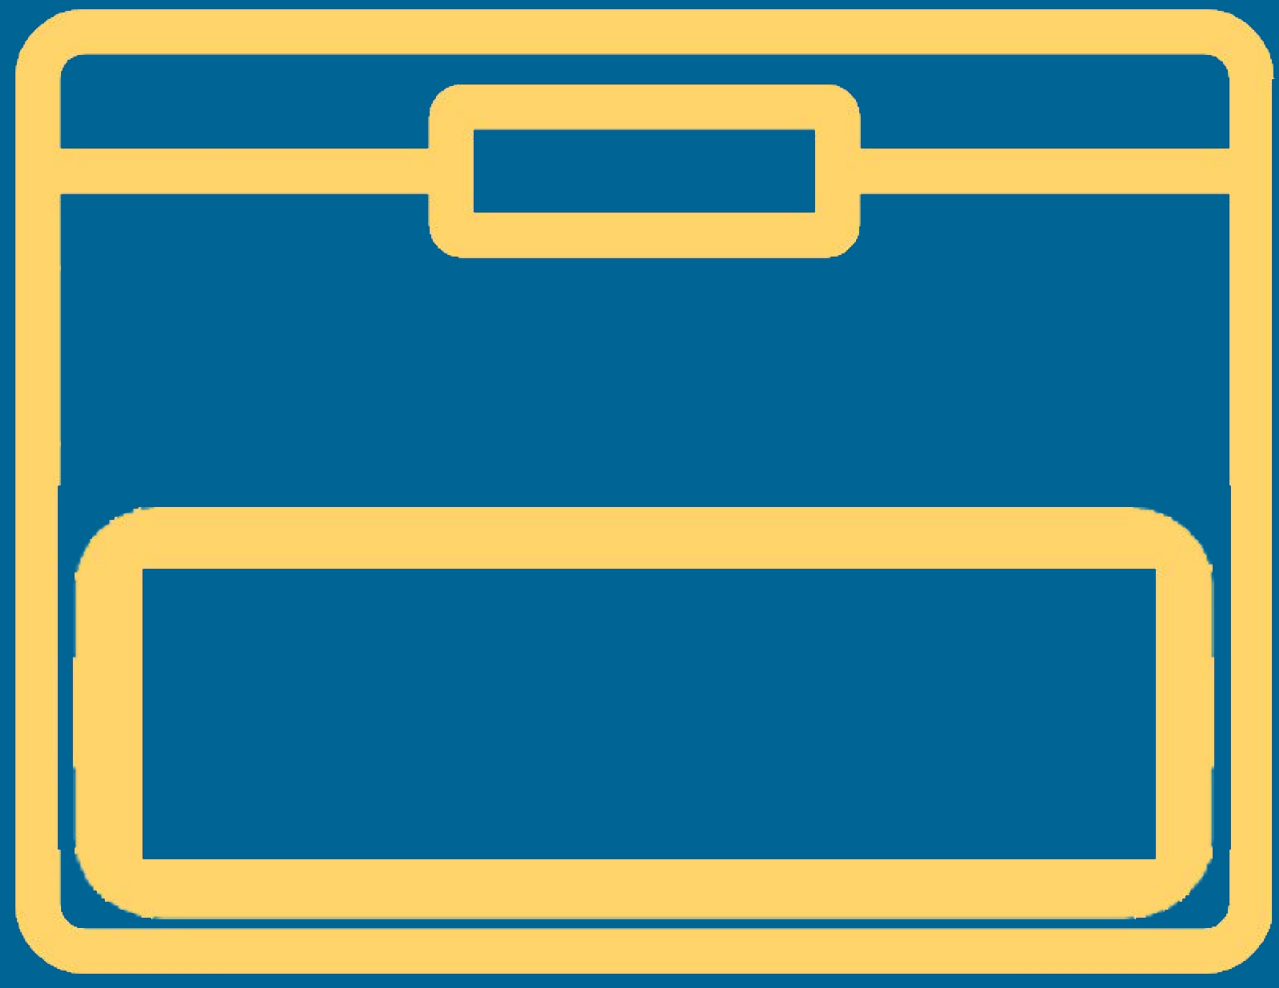

Do not charge your phone or let your battery die. Charge every night!

Close your Chromebook and carry with two hands when moving around the classroom.

Keep Your Chromebook *Safe*

When you are not using your Chromebook, always **keep it in its case.**

Set your Chromebook down on a **safe, stable surface... NOT on the floor!**

Close your Chromebook and carry with **two hands** when moving around the classroom.
