

## ***What Is a School-Parent Compact?***

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan.
- Focus on GA. Standards of Excellence.
- Describe how teachers will help students develop those skills via high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student achievement.
- Provide opportunities for parents to volunteer, and participate in the school.

### ***Jointly Developed***

The parents, staff, and teachers, and students for Coretta Scott King Young Women's Leadership Academy collaboratively developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies and supports, parents added ideas to make them more specific, and students told us what would help them learn. Our annual meeting is held at our End-of-the-year meeting in April 2021 to review the Compact and make changes based on student needs.

***Parents are welcome to contribute comments at any time.***

## ***Coretta Scott King Young Women's Leadership Academy Schools Goals***

### ***Achievement Gap:***

- Targeted Interventions for ALL Students
- Building and Consistently Maintaining a Student-Focused Culture
- Increased Teacher Effectiveness Through High Quality Coaching, PLCs, & Professional Development

# ***Teachers, Parents, and Students—Together for Success***

## ***Class Setting***

The teachers will focus on social emotional learning, culture of learning, essential content, academic ownership, demonstration of learning, beliefs and values. These are the components of the teacher excellence model.

- Offer a Principal Chat series to address the specific needs of the CSK school parent.
- Provide one on one parent /student meetings to discuss students' progress towards graduating on time.
- Our school counselors have web links and additional support strategies including core course electives and credit recovery available to support students in various areas.

## ***At Home***

CSKYWLA parents are invited to develop ideas about how families can support students' success in all content areas. Families may have other ideas to add:

- Parents/ guardians participate in one on one conferences with student and teachers.
- Participate in online training events such as Principal's Chat, Curriculum night, and Parent University.
- Visit parent portal, school websites and social media accounts to stay connection with the school community.
