II. Discussion Items

Members of the MLE GO Team met to discuss MLE’s strategic vision and mission. As directed by APS, a new strategic plan for years 2022-2025 will need to be in a new format. The GO Team reviewed the goals and directive supplied by APS and the Midtown Cluster. Great focus was placed on keeping MLE goals in line with Howard Middle School and Midtown High School. Discussion centered on how to specifically focus goals and effort on underperforming groups, as well as ensuring that the goal of equity is included.

The new strategic plan will be available for community review in the upcoming weeks.
