What is the School-Parent Compact?

Middle School is a defining point for students in the college and career readiness process. When the school, community, parents and students agree to work together, this defining point becomes an easier process for students and parents to manage.

The John Lewis Invictus Academy (JLIA) School-Parent Compact (SPC) is a written agreement between our school community and parents. This SPC provides an opportunity to create new partnerships between JLIA, community, teachers/staff and families. It explains what families and the school can do to help our students maintain and exceed high academic standards. This written agreement indicates how all stakeholders of the John Lewis community agree to share in the responsibility of supporting student academic achievement at our school.
