February 4, 2021

CSK Parents, thank you for the continued support that you have provided throughout this distance learning period. As you are aware, several students are scheduled to return to an "in-person" learning environment on Tuesday, February 16th. Our primary goal for those students returning is to ensure their safety and mitigate any chances of COVID-19 spreading. Each student scheduled for a face-to-face return will be screened daily for any signs or symptoms associated with the virus. Once students are cleared, they will be allowed to transition on the hall to their respective classes. Those students not cleared will be re-located to our CARE room prior to a parent/guardian being contacted. All students are expected to report according to CSK dress code: brown or khaki pants and a pink, brown or white collared shirt. No bonnets or scarves are allowed.

For those students remaining in a virtual environment, please rest assured that each student will continue with her current teachers in a "simultaneous" teaching environment. This simply means that some students will be virtual and others will be face-to-face in the very same classroom with the same teacher. Our goal in this simultaneous teaching environment is to ensure that any loss of learning is minimal and that our young ladies continue to soar academically in a spirit of excellence.

Included, you will find your child's most recent MS grade report or HS transcript. This is being provided in the event you have not been able to successfully access this information via the parent portal. To ensure that all parents receive the most current grading and attendance information, instructions have been provided for access to the Parent portal. *This information is also available via the CSK website.*

One thing that is certain in this time of uncertainty is that we CANNOT afford to let our students fall behind. Therefore, it is imperative for all of our students to log in to classes EVERY day with CAMERAS ON and dress accordingly (no bonnets, scarves, etc.) Students not logged in during class time will be marked absent (*or tardy if late.*) Stay tuned for updates regarding the return of Saturday Academic Bootcamp!!

Thank you for choosing Coretta Scott King YWLA. You are appreciated
