

March 15, 2020

To APS Parents or Guardians:

Atlanta Public Schools (APS) is in the process of updating student records and pre-registering students for the 2021-2022 school year. Our records indicate that your student will be returning to the same school. Therefore, APS requests that you verify that your information is up to date.

In order to verify that your information is up to date, please log-in to your [Infinite Campus Parent Portal Account](#). Our [Parent Portal Help Page](#) includes helpful information including how to set-up your Parent Portal account for the first time and verify that your contact information is up to date.

**Parent Portal Account:** <https://ic.apsk12.org/campus/atlanta.jsp>

**Parent Portal Help Page:** <https://www.atlantapublicschools.us/domain/11609>

If your student's demographic information is correct and there are no updates, please complete the APS Demographic Confirmation Form located on our website at [www.atlanta.k12.ga.us/enrollment](http://www.atlanta.k12.ga.us/enrollment). Once you navigate to our website, look for the Current Student registration button.

If you need to make updates to your student's demographic or residency information in the Infinite Campus Parent Portal, please select the **More Tab to complete Online Registration for Existing Students. Please make all corrections in the Infinite Campus Parent Portal by March 31, 2021.**

If you have any questions, please contact Nina Dimitrova at 404-802-5645 or [nina.dimitrova@atlanta.k12.ga.us](mailto:nina.dimitrova@atlanta.k12.ga.us). As always, thank you for your continued support.
