

Day One Update

Celebrating 150 Years of APS

We are returning to our newly renovated Morningside Elementary (1053 E. Rock Springs Rd NE) on August 1, 2023!

We want you to be Day One Ready, so we are updating families and students on the return of the 1-mile walk zone. Over the past two years, all students were provided bus transportation to the Inman relocation site.

Our APS Transportation Team has walked the 1-mile zone to ensure students can safely walk to school. Go here to check if you are in the walk zone.

If you have questions or concerns, please use Let's Talk.
