LION'S PRIDE

ANNUAL CAMPAIGN

Science Lab Support, Rig-a-ma-jig Learning, HighTouch-HighTech

Every member of the E. Rivers Family benefits from the financial resources given to EREF by parents, faculty, family, friends and business partners.

E. Rivers has been a 1:1 technology school for the past 3 years.

The Lion's Pride Campaign is E. Rivers annual fundraiser and the most effective way to support our school. All of our students, teachers and staff are already benefiting from the prior giving and generosity of past donors:

- 1:1 Technology with the ability to replace and maintain APS issued devices: iPads and Chromebooks
- Support for Eureka Math, Lucy Calkins, Orton Gillingham and Foreign Language curriculum
- Teacher stipends of at least \$300 for curriculum enhancement and classroom materials
- Supplies and equipment for Specials: Art, Music, World Language, Science, and P.E.
- In partnership with the PTA, support of our most in-need families during this challenging time

iPads & Promethean Boards

City Chicks on Campus, STEAM Day Support

Every gift makes a difference. Contributions made to the E. Rivers Education Foundation (EREF), a non-profit organization, provide funding for curriculum enrichment, and enhance your child's public school education. EREF's ability to provide financial support to our school plays a critical role in keeping class sizes down and maintaining E. Rivers as a top APS elementary school.

**Your donation will reach every student,
support every teacher and benefit
every staff member.**
