FROM THE DESK OF THE PRINCIPAL

Greetings, Hope-Hill Families,

It is hard to believe we have passed the 100th day of school and have less than 80 school days remaining in the school year. Our students and teachers had a lot of fun celebrating the 100th day. Check out the pictures below. We have finished our MAP Growth testing and are pleased with the results. MAP Growth reports were sent home to parents before the December break, and report cards went home in last week's Thursday Folders. Please reach out to your child's teacher if you have any questions. Our Pre-K registration has begun and will end on March 11th. If our enrollment is full, there will be a lottery on March 28th. Kindergarten registration begins on March 15th. ALL current Pre-K students MUST register for Kdg. Students do not automatically go on to Kdg. Please register as soon as possible once the window opens.

We have some fun days coming up in February as we celebrate 2-2-22 with Tutus, Ties and Tennis Shoes on 2-22-22 with mini math and literacy carnival called Terrific TWOSday! We will also participate in the Global Day of Play on this day. We will put the devices away and let our creative minds play all day. For more information on GLOBAL School Play Day – Check out this website! <https://www.globalschoolplayday.com>. As always, you are truly appreciated for your ongoing support!

GO TEAM

The next GoTeam meetings will be focused on the school budget for 2022-23. The initial draft budget was presented at the January 26 GoTeam Meeting. Feel free to see the minutes or recorded video on the Hope-Hill GoTeam website once it is posted. If you would like to comment on the budget, feel free to reach out to the GoTeam Chair Alex Wu alexwu@apsk12.org or Principal Wheeler mtwheeler@atlanta.k12.ga.us.

Join in the fun on this special date by wearing tutus, ties, or mismatched tennis shoes to school.

COVID SELF-REPORTING

to complete the
Covid Self-Report Form

Thank you to all parents who are using the self-report form to inform us of Covid cases or Exposure. This is the only way we are able to monitor and do contact tracing. If your child tests positive, or is exposed to someone with Covid, please scan the QR Code or fill out the form at <http://tinyAPS.com/?CovidStudentForm>.

MATH

Math in Literature

ABC is easy as 123! Reading is fundamental, and so is Math! When children are exposed to diverse literature, they are provided with opportunities to develop an understanding and build ideas on a topic. Reading to children allows an opportunity for them to ask questions or have discussions to nurture their thinking. Reading Math Literature provides children an opportunity to see real life math in everyday situations. Be sure to ask your child about our Math Read- Aloud.

ELA

"Fluency is the ability to read a text accurately, quickly, and with expression. Reading fluency is important because it provides a bridge between word recognition and comprehension...Because fluent readers do not have to concentrate on decoding the words, they can focus their attention on what the text means. They can make connections among the ideas in the text and their background knowledge. In other words, fluent readers recognize words and comprehend at the same time." -ReadingRockets.org.

KEEP OUR STUDENTS READING

Are you looking for new, interesting ways to keep your Eagle reading? Due to recent book donations, our Little Free Library is overflowing with great reads for all ages! Or, if your student wants to read something specific, have him or her show you how to access eRead Kids in My Backpack. eRead Kids is an electronic library and an AMAZING source for popular texts. Be sure to "check out" these reading options!
