

## RACE2READ

Hope-Hill focuses on reading, and it shows! Through our students' dedication to reading and logging their minutes, we remain in the top 10 for APS's Race2Read. Parents can become community readers for Hope-Hill by creating an account at [www.apshopehill.beanstalk.org](http://www.apshopehill.beanstalk.org). Please contact Ms. Nettles in the Media Center for additional support: [jocelyn.nettles@apsk12.org](mailto:jocelyn.nettles@apsk12.org)

## FROM THE DESK OF THE PRINCIPAL

Greetings, Hope-Hill Families!

You may have noticed that we are no longer taking students' temperatures upon arrival. This is because we have yet to have any child arrive to school with a temperature. Thank you for helping reduce the spread of Covid 19 by keeping your child home when he/she is sick. The staff has been working diligently to make sure we are implementing all of the mitigation strategies, which has greatly reduced our number of positive cases. Because of this, we have returned to allowing the students to eat lunch in the cafeteria.

It is hard to believe that we are just three short weeks away from Thanksgiving Break and just six weeks away from the Winter holiday break. Our teachers and all staff members have worked extremely hard to give their very best to our students daily!! Please help me continue to support, encourage, and THANK them as we wind down this first semester back in school together!

I hope to see all of you at the PTA Trunk or Treat this evening at 5:50 p.m., RAIN or SHINE! (We will move indoors if it rains).

*Maureen Wheeler*

## COVID SELF-REPORTING

Thank you to all parents who are using the self-report form to inform us of Covid cases or Exposure. This is the only way we are able to monitor and do contact tracing. If your child tests positive, or is exposed to someone with Covid, please scan the QR Code or fill out the form at

<http://tinyAPS.com/?CovidStudentForm>.

## TUTORATL.ORG

TutorATL.org is a free service available to Atlanta Public School students. Students can get help daily from 9am to 11pm, except national holidays.

To gain access: APS students just log on to TutorATL via the MyBackPack system. If they register, there are more resources available. TutorATL offers bilingual (Spanish-speaking) tutors for core subjects. Tutors do not have access to student's private information.

## LOST AND FOUND

We are accumulating lots and lots of lost jackets! The jackets are placed in the hallway outside the Media Center and Music Room. Ask your child to stop by and take a look.

Please write your child's name inside his or her jacket so we can return it if it goes missing!

## QUAVER MUSIC

Students in Grades K-5 now have access to Quaver Music at home. Students can find the app on MyBackpack, and then log in with credentials provided by Ms. Kingston. The curriculum we use during music class contains over 6,500 culturally diverse, interactive resources. It offers a rich variety of animated songs with interactive scores, videos on musical elements, instruments, historical eras, musical styles, and more.

Activities on the app help children engage even further through games and creative tools. If your child needs help logging in to their Quaver account, please contact Ms. Kingston at [Colleen.Kingston1@apsk12.org](mailto:Colleen.Kingston1@apsk12.org).

## RED RIBBON WEEK

During the last week of October, Hope-Hill students showed their spirit by dressing up in support of Red Ribbon Week, the national anti-drug campaign. Check it out!
