OVERVIEW

We need your help! The Atlanta College and Career Academy (ACCA) will host Mock Interview Day on Friday, April 22, 2022 and Career Fair on Wednesday, May 4, 2022. Both events provide scholars an opportunity to practice the employability skills they've learned throughout the year. Industry participation in both events will maximize student mastery and provide authentic real world experience. Here is a high level summary of both events:

Mock Interview Day - Industry professionals review student resumes, e-portfolios and provide feedback. Industry professionals also conduct mock interviews and provide students immediate feedback on their performance. Rubrics will be provided for both activities.

Career Day: Industry professionals interview students for placement in work-based learning opportunities, internships, apprenticeships, or jobs.
