	<p>Recognized on the school marquee for two weeks during the school year.</p>				

ABOUT OUR SCHOOL

Toomer Elementary is a Title I diverse Atlanta Public School serving over 450 children from the Kirkwood, Edgewood, and East Lake communities. As an International Baccalaureate (IB) school, Toomer cultivates global citizens and life-long learners through inquiry, voice, choice, and agency. We provide a safe and equitable community that embraces diversity to inspire students to become critical agents of change. **Most recently, Toomer was recognized as an Atlanta Public Schools 2022 Equity Champion, awarded by the Center for Equity and Social Justice for the work we are doing to close achievement gaps and prioritize social justice.**

Toomer's PTA is looking for sponsorships to fund teacher retention and morale boosting events and help eliminate some of the barriers for our families to participate in school events. These sponsorships also provide an opportunity for local businesses to gain valuable exposure and recognition throughout the year. Your sponsorship makes a difference for all of our students, families, and teachers! All funding goes straight back into our school community. We can't accomplish these goals without the help of businesses like yours!

Please review the options on the next page and let us know which one (or more!) might be best for your business (all tax deductible- we can provide a receipt). We would love to recognize your organization as one of our sponsors this year. If you are able to provide more than one sponsorship, we will increase your sponsorship benefits accordingly. *If you would rather provide an in-kind donation, we would be more than happy to work with you and consider the value of the donation in line with our sponsorship benefits.*

To sponsor any of the programs, please email fatepta@gmail.com.
