Budget Development Presentation

The main discussion item was the budget presentation, which was presented to the team for approval. Mr. Foster emphasized that this was a draft budget and any changes would be brought back to the team for final approval at the next meeting. The team also discussed the allocation of funds for the signature program, which had been increased from \$183,000 to \$240,000. This increase allowed for the hiring of a halftime coach, payment of annual fees, training for 10 staff members, and the purchase of a resource tool for lesson building. The team was asked to review a document summarizing the staffing allocations for the next school year. The conversation ended with a discussion on the strategic plan and priorities.
