Parenting is hard, and parenting kids who are wired differently can be... quite an adventure! **SENG Model Parent Groups** provide an opportunity to share, explore, and discuss the joys and challenges of raising gifted/2e children in a supportive environment. SENG's mission is to empower families and communities to guide gifted and talented individuals to reach their goals: intellectually, physically, emotionally, socially, and spiritually: www.sengifted.org

Who: Parents/caregivers of gifted and 2e children. Your child does not need to have been formally identified to participate!

Where: 5775 Glenridge Dr. Building B, Suite 310, Sandy Springs GA, 30328

When: 8 weeks: Wednesdays, 7 to 8:30 PM (February 8, 2023 through March 29, 2023)

Cost: \$150 plus the cost of the book, *A Parent's Guide to Gifted Children* by James T. Webb. Includes registration for one or two parents/caregivers.
