

JEAN CHILDS YOUNG MIDDLE SCHOOL

English Language Arts

The ELA department at Young is committed to providing a quality Language Arts education to all of our students. Our goal is to make sure that ALL students are reading and writing on or above grade level.

Our instruction is focused on helping students master the Georgia Performance Standards in order to prepare our learners for college and career. Grade level standards are taught using the AMPLIFY ELA curriculum. Students who are not yet reading on grade level also receive additional reading support through intervention and/or REP (remedial reading) using the READ 180 curriculum.

Please use the QR codes below to gain access to the parent sites for AMPLIFY and READ 180. Each site contains more information about each program and how you can support your child at home. You will also find a link to the Georgia Performance Standards to see what skills your students are expected to master this year.

If you would like additional information about our ELA department please reach out to your child's ELA teacher or to our ELA instructional coach, Nza Branton nbranton@atlanta.k12.ga.us.
