

Welcome Back

Introduction:

Welcome to the 2023-2024 school year! I'm Ms. Foster the Gifted Lead for Bolton Academy. This is my 21st year in education, my 10th year as a Gifted teacher, and my 7th year here in APS and at Bolton Academy!! I created a Class DoJo titled Gifted so that we can communicate and stay abreast of all that is happening. I am truly excited for this school year and all that we have planned for our scholars as we celebrate Bolton's 20th Birthday!

nicole.foster@atlanta.k12.ga.us

Homework Stretch:

I created this site so that Gifted students can explore new things as well as topics of interest. Browse the Homework Stretch site by scanning the QR code or clicking this [LINK](#).

Services:

We will continue utilizing the cluster and collaboration models. The Cluster model is when the teacher of record is gifted endorsed, so students receive services from their teacher. The collaboration model is when the teacher of record is not endorsed, so I push-in to give services.

New This Year:

We will be adding a few resource segments to ensure we are meeting the needs of the Gifted learner. We are also adding the Innovation Lab block to the schedule. ALL students will attend the Innovation Lab with Mrs. Fowler! Guess what? Gifted identified students will have a second Innovation block on Fridays.

Important Info:

We are looking forward to providing fun and engaging educational experiences for our Bolton scholars. Here are a few we are considering:

- Museum of Illusions
- Urban Escape Room
- STEAM Carnival
- Okefenokee Swamp

Also, please join the Gifted DoJo Class! Invites have been sent out, let me know if you didn't receive one.
