What is Title 1?

Heritage Academy Elementary School is identified as a Title 1 school as part of Every Student Succeed Act of (ESSA). Title 1 is a federal grant that was designed to ensure that all children receive a high-quality education and reach grade level proficiency. Title 1 programs must be based on effective means of improving student achievement and include strategies to support Parent Engagement. All Title 1 schools must jointly develop a written Parent and Family Engagement Plan with all Parents.

School Plan for Shared Student Achievement

What is it?

The *Parent and Family Engagement Plan* describes how Heritage Academy will provide opportunities to improve parent engagement to support student learning. Heritage Academy values the contributions and engagement of parents to establish an equal partnership for the common goals of improving student achievement. This plan describes the different ways that Heritage Academy will support parent engagement and how parents can be involved.

How is it revised?

Heritage Academy invited all parents to attend our annual meeting to review and revise this Parent and Family Engagement Plan. Parents are invited to attend the School Plan, School-Parent Compact and School Budget meetings that are held in the spring. In addition, parents' input and comments regarding this plan are welcomed during the school year. The plan is posted on our school website for parents to view and submit feedback throughout the year. Parents' feedback throughout the year will be used to revise the plan for the next school year. During the school year, parents can also give feedback during parent meetings and activities in our Parent Advisory Committee, Go Team and school meetings.

Who is it for?

All parents at Heritage Academy are encouraged and invited to fully participate in opportunities described in this plan. Heritage Academy School will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

At the beginning of the year, the *Parent & Family Engagement Plan* is included in the student handbook that is given to all students. As a reminder, a copy will be mailed to each home. Parents can also receive a copy of the *Parent & Family Engagement Plan* in the Parent Resource Center located in Room 120.

Heritage Academy is Branching Out!

Heritage Academy will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and help us reach our goals.

We will:

- ✓ Ensure that all information related to school and parent programs, meetings and other activities are posted on the school's website and in the monthly school newsletter.
- ✓ Conduct staff development twice a year on parent engagement practices and effective strategies for staff to communicate and build partnerships with parents; provide opportunities for parents to share ideas and staff to share best practices to increase parent and family engagement.
- ✓ Partner with Head Start and early reading programs by sharing information and activities to help parents support their children in kindergarten. There will also be opportunities for parents and staff to partner with the feeder middle school to provide transition activities for students in 5th grade.
- ✓ Share information in the school's newsletter and on the website for parents to understand the school's academic standards and assessments as well as ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding school-wide events and activities, through phone messages, social media, and flyers.
- ✓ Work with our parents to develop relevant training and presentations to educate our staff on the importance of parent involvement.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings and activities to help parents work with their child to improve their learning and ultimately, achievement.
- ✓ Collaborate with the community to improve awareness and increase participation in the activities and events listed in the *School Parent and Family Engagement Plan*.

Go Team Committee

Heritage Academy invites all parents to join the Go Team Committee to share ideas and become involved in the decision-making process regarding school initiatives. The Go Team is also a great way for parents to build partnerships with the school, families, and community. The Go Team will meet at least four times during the school year. If parents are unable to attend meetings, they can submit their ideas or suggestions through our parent surveys and website. If you would like to learn more and/or join the School Go Team, complete the interest form and leave it in the Main Office.
