School-Home Compact

Middle School is the transitional bridge that takes our families from Elementary to High School. The School – Home Compact is a partnership between all stakeholders (school staff, students, and families) to ensure academic excellence. This compact is jointly developed with staff and families during the school wide planning meeting each school year. Feedback forms can be found on the school website, in the main office, and the Parent Resource Center. By signing the acknowledgement form for this commitment to excellence, we agree to commit ourselves to the academic success of our students.
