

Dental Care at John Lewis Invictus Academy

Thursday, November 13, 2025

Dear Parent or Guardian,

Our school has partnered with Help A Child Smile to bring dental care right to your child at school.

Dental services may include:

- Dental exams
- X-rays
- Cleanings
- Fluoride
- Sealants
- Cavity treatment, if present
- 6-month follow-up (based on school schedule)

Our focus is on preventive services and minimally invasive care to treat cavities.

Cost:

- Free for children with Medicaid/CHIP
- Private insurance and affordable self-pay options are available

Why It Matters:

- Keeps your child healthy and learning
- Services include: exams, cleanings, X-rays, fluoride, sealants, and cavity care if needed

Easy & Convenient:

- Care happens at school
- Provided by licensed dental professionals

Sign Up:

- Return the permission form from school or
- Sign up online: bit.ly/JLIA_HACS or use the QR code

Atención dental en John Lewis Invictus Academy

Jueves, 13 de Noviembre de 2025
