Carver News Team Attends Q & A Session with the Superintendent

On Thursday, April 3rd, members of our Carver EC News Team participated in a Media Question and Answer Session with APS Superintendent Dr. Bryan Johnson. Students asked questions about the state of the district and other important topics. This was a great experience for our students. EC School Media Specialist Ms. Collins, producer and sponsor of the Weekly Carver News Show, attended the event as well. The News Team will be writing a story about the event for our school and district news channels.
