

WRITING TASK

You just read two articles about the Audubon Zoo and the Audubon Aquarium.

Now, write to share your opinion about whether you would like to go to the Audubon Zoo or the Audubon Aquarium. Be sure to include details from BOTH texts to support your opinion.

Remember, good opinion writing:

- includes your opinion;
- includes reasons that support your opinion;
- uses words like “because,” “and,” and “also” to connect opinions with reasons; and
- has an ending.
