

## Apple Distinguished Schools

Inspire | Imagine | Impact

Congratulations! TUSKEGEE AIRMEN GLOBAL ACADEMY has been selected as an Apple Distinguished School for 2024–2027, a three-year designation. You and your staff are being recognized for continuous innovation using Apple technology to inspire, imagine, and impact teaching and learning. We're excited to have you join the Apple Distinguished Schools community to learn and grow together.

Distinguished School

# For TAG Academy

**What does it mean to be an Apple Distinguished School?** As an Apple Distinguished School, we will be

committed to intentionally inspiring **creativity, collaboration, and critical thinking** among all students. This designation will align perfectly with TAG Academy's mission to cultivate Change Agents. By integrating Apple technology into our educational framework, we will enhance the quality of real-world learning experiences, fostering both creativity, critical thinking, and collaboration. The resources and support provided through TAG Academy's Apple Distinguished School initiative will empower our educators to innovate in their teaching methods, driving student mastery across all disciplines. This fusion of technology and pedagogical excellence will not only enrich learning but also equip our students to confidently and skillfully tackle real-world challenges.

## Year 1 SY 24-25 Strategy

- Continue the 1 to 1 iPad programming for every student in Prekindergarten to 2nd grade
- A set of iPads for each homeroom classroom in grades 3-5
- Leveraging Apple technology to support STEAM and enrichment programming
- Each week, students will engage in creativity and critical thinking using Apple technology through their learning experiences in the Genius Hub.
- Opportunities for staff to gain exposure to and training in Apple technology, and to integrate it into learning experiences.

## Teachers: How can you support TAG Academy's Apple Distinguished School Initiative?

Attaining this recognition brings substantial advantages for students and educators in mastering 21st Century Skills. Here's how you can contribute:

1. Become an Apple Teacher or an Apple Learning Coach. These programs provide you with the expertise to effectively integrate Apple technology into learning experiences.
2. Collaborate with TAG Academy's Apple Learning Coaches to design engaging Apple learning experiences.
