Topics

Early College

How can we accelerate **post-secondary readiness** by expanding access to advanced placement, dual enrollment and college credit?

Technology

How can we expand access to specialized technical instruction and **STEAM** pathways?

Vocational & Trades

How can we ensure that interested students have access to **career and technical trades**?

Arts

How can we create more **robust arts** instruction and offerings?

Biomedical

How can we strengthen **health science pathways** through more specialized and rigorous instruction aligned to the evolving needs of the biomedical and healthcare industries?
