
January 6, 2023

Dear Parent/Guardian,

Happy New Year from the SAHS family. Thank you for your engagement and support throughout first semester. We are extremely proud, and we celebrate our scholars who successfully passed all courses. However, we have many who will need to retake several courses to ensure that they remain on track for graduation. To that end, we are offering the opportunity for he or she to participate in our Afterschool Recovery Program.

This program will allow students to recover up to 2 credits that are needed for graduation. Students will take 1 course at a time, which must be completed in the assigned 6-week window, prior to taking an additional course. Students will be required to attend classes every Monday, Wednesday, and Thursday from 4:00-5:30 pm. Snacks and transportation will be provided.

Session Dates:

	Start Date	End Date
Session 1	January 18	February 24
Session 2	February 27	April 7
Session 3	April 10	May 19

To participate, a parent or guardian must attend the informational meeting on **Thursday, January 12th at 5:30 pm** in the cafeteria. During this meeting we will provide additional details regarding the structure of the program, etc. Parents will be required to sign a contract confirming their support for their scholar in completing this program.

If you have any questions, please contact me, Dr. Plummer at the number below. We look forward to working with each of you this semester.

Kind Regards,

Melisha Plummer, EdD
