

December 2024

2024 Title I Reward School

Dear Superintendent and Title I Director:

Congratulations on having a school/schools in your Local Education Agency named as a 2024 Title I Reward School. Title I Reward Schools are Title I schools that rank in the top 5% of Title I schools in the state making the most progress in improving the performance of the all-students subgroup by comparing content mastery scores from the 2022 and 2023 reported data on the statewide assessments. To recognize your school(s), enclosed is a sign for the school(s) to post along with a certificate signed by Superintendent Richard Woods. The Title I program at GaDOE celebrates the accomplishment of your Title I Reward School(s). Continue with your great work in developing your students' academic success in meeting the state's standards. Also included is a list of Georgia's 2024 Title I Reward Schools.

Sincerely,

Ken Banter, EdD
Title I Senior Program Manager
