Mission

The staff at Usher-Collier will foster a caring and innovative environment where students are known by name and need in order to prepare future leaders that will graduate college and career ready.

Vision

Usher-Collier Elementary is to inspire students to dream big and do the improbable through problem solving, critical thinking, and decision-making skills.

Theme

Building a Better World, One Entrepreneur at a Time, and our overall driving question was "How do we use STE(A)M to cultivate a maker culture to improve our community?"

Motto

Work Hard, Get Smart, While Making No Excuses

Usher-Collier ES is proud to be part of the Georgia Department of Education's APTT Cohort. WestEd's APTT is a classroom-based, teacher-led, data-driven, innovative family engagement model. It is grounded in the notion that schools can thrive when families and teachers work together, as genuine partners, to maximize student learning inside and outside the school. Its research-based infrastructure is rooted in aligning curriculum, instruction, and assessment as it builds the capacity of educators, families, and the community to advance student achievement by linking home and school learning. APTT is focused on building the foundational skills of students in order to reach specific academic goals each school year.

WHAT IS A SCHOOL-PARENT COMPACT?

A compact is a written agreement that explains how teachers and students work together to make sure students reach grade-level standards as measured by the state, district, and state assessments. The purpose of the school-parent contact is to explain how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

How is the compact developed?

The compact is reviewed and updated annually based on feedback from parents, teachers and staff members during School-wide Planning meetings, robo call and feedback forms. Parents and staff members work diligently to create a compact that reflects Usher-Collier ES.

Parents are welcome to contribute comments and provide feedback at any time. This can be done in person, by phone, survey, feedback form, or by emailing the Family Engagement Liaison Lawanda Strozier @ lwebb@apskk12.org
