Celebrates
Inclusive Schools Week

December 7-11, 2020

Since its inception, Inclusive Schools Week (ISW) has celebrated the progress schools have made in providing a supportive and quality education to an increasingly diverse student population. This includes students who are marginalized due to disability, gender, socio-economic status, cultural heritage, language preference and other factors. The week also provides opportunities for educators, students and parents to further explore what more schools can do in response to meeting the unique needs of all learners.

Join us via Zoom on Thursday, December 10, 2020 @ 11:30 AM for our Inclusive Schools Week 2020 Program
