KWPA Dress Code Look Book

2022-2023

Introduction

A MESSAGE FROM KIPP METRO ATLANTA SCHOOLS

KIPP Metro Atlanta Schools have a dress code that provides guidance to scholars on the expected attire for school. Our dress code is designed as a visual representation of school pride and belonging. Our dress code has some elements of uniformity, while remaining largely **autonomous** and **flexible** so that scholars have opportunities for self-expression within each school's dress code.

The standards of dress have changed over the years, but it has always been the goal of schools to maintain an educational environment that is safe and beneficial to learning. Each KIPP Metro Atlanta School has a dress code. Each school's dress code includes a component of a school polo or KIPP shirt or KIPP outerwear which provides a code for each school to follow, however, there is not uniformity in the dress code across a school or across schools within KIPP Metro Atlanta. KIPP Metro Atlanta's dress code differs from a uniform policy, in that it still allows scholars some choice in what they wear to school.

In addition, the dress code is fundamental to helping scholars learn a life skill. School dress codes are great ways to teach scholars the importance of how to operate within societal norms, including a working environment.

The scholar Dress Code policy at KIPP Metro Atlanta is that **ALL** scholars are expected to wear the required Dress Code every day, unless otherwise indicated.

Dress Code Guide

KIPP WOODSON PARK ACADEMY UNIFORM POLICY

The student dress code policy at KIPP Woodson Park Academy is that **ALL** scholars are expected to wear the required apparel each and every day, unless otherwise indicated. Scholars must wear the designated KWPA polo, KWPA shirt or KWPA outerwear as issued by the school or ordered online through our online vendor. Additionally scholars may choose to wear navy or black pants, skirts, shorts, or dresses. At a minimum, skirts and shorts must fall no more than 2 inches above the knees. If scholar bottoms are too short, families will be contacted to provide a change of clothes, if one is not available.

This guide will provide you with a detailed overview of the required dress code materials and the sample pairings for each look for grades K-8.
