

WEEK OF AUGUST 7-11, 2023

MESSAGE FROM OUR PRINCIPALS

Families,

Welcome back, welcome back! What a wonderful first week it has been. Our teachers are ready, our scholars are ready, and Woodson has been feeling great! We appreciate all of your support during this time as well. We could not be doing this without you! Thank you for adhering to dismissal procedures and supporting your scholar in getting to school on time and being prepared! Please look below for upcoming dates. Lastly, this week academic instruction is in full force so your scholar DOES have homework! Ensure your scholar is completing their homework, and reading, each night. We can't wait to meet you at our upcoming Meet your Teacher Nights!

Kindly,

Ms. Stifler

Lower School Principal (K-4)
